3. **Requests** the United States of America to reconsider this law which is considered entirely partial to Israel so as to avoid the further deterioration of the situation and wasting opportunities to achieve a just and comprehensive peace in the Middle East region, which constitutes a serious infringement upon Arab interests;
4. **Requests** the Secretary-General to follow up the implementation of this resolution and submit a report thereon to the Thirty-fifth Session of the Islamic Conference of Foreign Ministers.

The Thirty-Fourth Session of the Islamic Conference of Foreign Ministers (Session of Peace, Progress and Harmony), held in Islamabad, Islamic Republic of Pakistan from 28-30 Rabi Al-Thani 1428 A.H (15-17 May 2007);

Recalling that the establishment of Nuclear Weapon Free Zones in various regions of the world on the basis of agreements or arrangements freely arrived at among the States of the zones concerned is one of the measures which can most effectively guarantee the non-proliferation of nuclear weapons, as well as contribute to the total elimination of nuclear weapons and achievement of general and complete disarmament;

Convinced that the establishment of Nuclear-Weapon Free-Zones in various regions on the basis of agreements or arrangements freely arrived at among the States of the zones concerned will serve to protect the States of such regions against the use or threat of use of nuclear weapons and reaffirming the calls upon all States, particularly Nuclear Weapon States to demand Israel to cease its clandestine nuclear activities and to shut down its nuclear reactors, especially the Dimona Nuclear Reactor given the highly disturbing news on the increase of nuclear radiation leakage which may lead to an environmental disaster in the Middle East, in addition to nuclear threats it represents;

Expressing deep concern over the fact reflected in the report of the UN Secretariat to the 2005 NPT Review Conference on implementing the resolution of the 2000 NPT Review and Extension Conference on the Middle East which states that all States of the region, with the exception of Israel, are parties to the NPT.

Also Expressing deep concern over the statement by the Prime Minister of Israel made on 10/12/2006, in which he clearly and openly acknowledge Israel's possession of nuclear capability;

Underlining that the Final Document of the 2000 NPT Review Conference reaffirmed the importance of Israel's accession to the NPT and the placement of its nuclear facilities under comprehensive IAEA safeguards, in realizing the goal of universal adherence to the Treaty in the Middle East.

Taking into consideration the resolution on the Middle East adopted by the 1995 NPT Review and Extension Conference as well as the Final Document of the 2000 NPT Review Conference;

Conference of Heads of State and Government of the African Union at its First Ordinary Session held in Cairo in July 1964 on the necessity for establishing a nuclear-weapon-free zone in Africa;

Warning at the serious consequences arising from the fact that all states of the Middle East have become parties to the Nuclear Non-Proliferation Treaty except Israel that has not acceded to the Treaty, has not placed its nuclear facilities under the IAEA comprehensive safeguard agreements and has not declared its intention to do so, and has continued its clandestine nuclear programmes and weapon activities;

Recalling as well, all relevant resolutions adopted by the UN General Assembly on this subject particularly Resolutions, 61/56, 61/88, 61/103, 60/49, and Decision 58/598 on the establishment of nuclear weapon free zones in the Middle East, Africa and South East Asia and Central Asia respectively;

Taking into consideration the initiative introduced by the Syrian Arab Republic, on behalf of the Arab Group, at the Security Council calling for the establishment of a zone free from all weapons of mass-destruction in the Middle East Region;

Recalling the paragraphs specific to disarmament in the Final Document of the Fourteenth Conference of the Heads of State of Government of the NAM held in Havana, Cuba in September 2006;

1. **Urges** all States, in particular Nuclear Weapon States to exert pressure on Israel to accede to the Nuclear Non Proliferation Treaty, especially after its head of government clearly and openly acknowledged his country's possession of this capability and calls on the international community and the Security Council to compel Israel to comply with the relevant U.N. Resolutions, particularly Security Council Resolution 487(1981), to immediately implement the resolutions of the International Atomic Energy Agency (IAEA) calling for the subjection of all Israeli nuclear facilities to the IAEA Comprehensive Safeguards System and to implement the resolution on the Middle East adopted by the 1995 NPT Review and Extension Conference as well as paragraphs 1-9 of the Final Document of the 2000 NPT Review Conference.

5. **Calls for** the total and complete prohibition of transfer of all nuclear related equipment, information, material and facilities, resources or devices and extension of assistance in the nuclear related scientific or technological fields to Israel. In this regard, expresses serious concern over the continuing development where by Israeli scientists are provided access to the nuclear facilities of one nuclear weapon state and considers that this development will have potentially serious negative implications on the regional security as well as the reliability of the global non-proliferation regime.
6. **Welcomes** the initiative introduced by the Syrian Arab Republic, on behalf of the Arab Group, at the UN Security Council in the months of Safar and Shawal 1424H (April and December 2003) calling for the establishment of a zone free from all weapons of mass-destruction, particularly nuclear ones in the Middle East Region.
7. **Requests** the Security Council to obtain Israel's renunciation of nuclear weapons, and a full report on its stockpile and ammunition for the consideration of the Security Council and the International Atomic Energy Agency as those steps are essential for the establishment of a zone free from nuclear weapon and other weapons of mass destruction in the Middle East region, and are fundamental factor for a just and comprehensive peace in the region and calls upon Member States to strive to include again the item "Israeli nuclear capabilities and its dangers" on the agenda of the forthcoming General Conference of the IAEA.

Recalling the declaration and commitment therein made by Nuclear-Weapon-States to provide security assurances to Non-Nuclear Weapon States in accordance with their obligations under the Nuclear Non-Proliferation Treaty and other instruments;

Noting that Nuclear Weapon States have failed to provide credible assurances to Non-Nuclear Weapon States against the use or threat of use of nuclear weapons;

Noting the unanimous adoption of Resolution No. 984 by the UN Security Council as well as the Declaration issued by the Nuclear Weapon States in April 1995 on positive and negative security assurances for the Non-Nuclear Weapon States which are still inadequate to assure the Non-Nuclear Weapon States against the use or threat of use of nuclear weapons;

Noting also the adoption of the Comprehensive Test Ban Treaty by the Resumed Session of the UN General Assembly on 10 September, 1996;

Expressing deep concern over the threat of use of nuclear weapons in general and against the OIC Member States in particular;

ON THE
CAUSE OF PALESTINE AND
THE CITY OF AL-QUDS AL-SHARIF

The Thirty-fourth Session of the Islamic Conference of Foreign Ministers (ICFM), (Session of Peace, Progress and Harmony), meeting in Islamabad, Islamic Republic of Pakistan, from 28 to 30 Rabiul Thani 1428H (15-17 May 2007),

Reaffirming the resolutions of the OIC Executive Committee at its Expanded Extraordinary Meeting of 18 November 2006 on the Beit Hanoun Massacre and of 22 February 2007 on the Israeli Aggressions on Al-Aqsa Mosque;

Affirming the Islamic States' commitment to achieve a just and comprehensive peace in the region;

Emphasizing that the Israeli policies, practices, and expansionist designs threaten not only Arab states and the peace process, but also the Islamic countries at large and jeopardize international peace and security;

Hailing the steadfastness of the Palestinian people and their valiant "Intifada" (uprising) aimed at recovering their inalienable national rights, as stipulated in all Arab and International resolutions.

1. **Reaffirms** all the resolutions adopted by the Islamic Conferences and Al-Quds Committee concerning the Cause of Palestine and the Arab-Israeli conflict.
2. **Affirms** the necessity of reaching a just solution to the Palestinian cause in all its aspects on the basis of international law and legitimacy and the terms of reference agreed upon, embodied in the relevant UN resolutions, the principle of land for peace and the inadmissibility of acquisition of others' territory by force, the Arab peace initiative and the Roadmap, such as to enable the Palestinian people

to achieve their national independence and exercise their sovereignty in their Palestinian State and its capital Al-Quds Al-Sharif.

3. **Affirms** the necessity of ending the Israeli occupation of the Arab and Palestinian territories occupied since 1967, including Al-Quds Al-Sharif, the occupied Syrian Golan and the other occupied Lebanese territories.
4. **Affirms** the illegality of the Israeli laws and practices in Al-Quds Al-Sharif, aimed at annexing, judaizing, and altering the demographic composition and geographic structure of the city. **Demands** States and international institutions and bodies to abide by international resolutions on the City of Al-Quds as an integral part of the Palestinian and Arab territories occupied in 1967; and **calls on** them also to not participate in any meeting or activity that serves Israel's objectives in establishing its occupation and annexation of the Holy City.
5. **Reaffirms** the necessity of finding a just solution to the problem of Palestinian refugees in accordance with the resolutions of international legitimacy, particularly UN General Assembly resolution 194 (1948), and **reiterates** its rejection of all forms of settlement, and emphasizes the United Nations' responsibility towards the Palestinian cause and the continued role of the UNRWA in this respect.
6. **Reaffirms** its support of the Palestinian National Unity Government and **undertakes** to provide it with assistance. It **commends** the Mecca Agreement on Palestinian National Reconciliation which was reached under the patronage of the Custodian of the Two Holy Mosques and **expresses its deep appreciation** of the efforts made by the Member States and the OIC Secretary-General in order to reach this Agreement.
7. **Reaffirms** the Resolution of the OIC Executive Committee at its Expanded Extraordinary Ministerial Meeting on 18 November 2006 to break the unjust siege imposed on the Palestinian people and start initiatives with the international community in order to end the siege and compel Israel to release the tax revenues due to the Palestinian National Authority (PNA). It **calls on** countries and international institutions to immediately lift this unjust siege, resume the provision of assistance to the Palestinian people; to support, recognize, and deal with the Palestinian Unity Government without discrimination. It **decides** to make the necessary contacts on this issue with the international parties concerned.
8. **Welcomes** the Resolution of the 9th Session of the Arab Summit to activate the Arab Peace Initiative and reiterates its commitment to supporting the Arab Peace Initiative.
9. **Calls upon** the Quartet Committee to resume serious work in order to achieve just and comprehensive peace in the Middle East in accordance with the Roadmap and the Arab peace initiative, to affirm the Palestinian territorial unity and integrity, including Al-Quds Al-Sharif, to **reject** any changes in the legal status of only a part of this territory, and to **exclude** the option of a State with temporary borders.
10. **Reiterates** its rejection of the Israeli fragmentary solutions and unilateral measures which Israel has adopted or intends to adopt in the Palestinian territories occupied in 1967, including Al-Quds/Jerusalem, through which Israel is trying to preempt the outcome of the negotiations around the issues of the final status, and, ultimately, to redraw the borders in such a way as to fulfill its expansionist designs and intentions, which thus undermines the chances of the emergence of an independent and sovereign Palestinian State.

11. **Invites** the UN Security Council to assume its responsibility in maintaining international peace and security by forcing Israel to put an end to its aggression and occupation of the Palestine and Arab territories and its illegal measures and practices illustrated in the killing and detentions of civilians, collective punishment, and siege and destruction of the Palestinian economy.
12. **Affirms** its condemnation of Israel's continued colonization of the Palestinian territories through all forms of colonial settlement activity, and requests the UN Security Council to see to their immediate ending and prohibition and to remove the existing Israeli settlements in accordance with UNSC resolution 465 and the advisory opinion of the International Court of Justice. The Conference **calls** on the UN Security Council also to reinvigorate the International supervisory and Monitoring Committee in order to prevent settlement in al-Quds and the occupied Arab territories in accordance with UNSC Resolution 446.
13. **Strongly condemns** Israel, "the occupying power", for continuing to build the expansionist wall on Palestinian territories, including the so-called "Jerusalem Envelope" which is aimed dismembering Al-Quds and isolating its population. It stresses the paramount importance of the advisory opinion of the International Court of Justice (ICJ) issued in this connection and the UN General Assembly's decision providing for the need for Israel, the UN Member States, and the UN itself to abide by their legal obligations. It invites all States of the world to impose punitive measures against the bodies and companies contributing to the construction of the wall and against settlers, settlement products and all those making profit of any settlement activity on the occupied Palestinian territories, including al-Quds, in implementation of the advisory opinion of the International Court of Justice and the UN General Assembly resolution ES-10/15.
14. **Condemns** Israel for destroying Al-Maghariba Gate Hill, for carrying out the excavations around and beneath Al-Aqsa Mosque, for the deliberate destruction of the archeological and heritage sites in the cities of Al-Quds, Nabuls, and Al-Khalil. It calls upon the United Nations Educational, Scientific, and Cultural Organization (UNESCO) to take the necessary steps in order to preserve the historical heritage of Al-Quds. It **decides** to take the required steps and make the necessary contacts in order to prevent Israel from including Al-Quds in the Israeli preliminary list of world heritage on the grounds of being in contradiction with international law and the resolutions of international legitimacy.
15. **Strongly condemns** Israel for its persistent aggressions on Islamic and Christian holy places, including the building of a synagogue next to Al-Aqsa Mosque and a Jewish museum, in addition to a project to build a new railway to link the occupied Arab City of Al-Quds with the settlements as well as the continued settlement activities inside the city and the isolation of Al-Quds by the racist separation wall aimed at Judaizing the city. It reaffirms that the Israeli practices are aggressive, hostile, and illegal and constitute a flagrant violation of international law and the Fourth Geneva Convention and calls on the UN Security Council to intervene and take the necessary steps to protect Al-Aqsa Mosque and compel Israel to implement the resolutions of international legitimacy on Al-Quds, particularly Resolutions 253, 267, 271, 465, 476, 478, 6725; Resolution 1073; and UN General Assembly Resolution No. 223/51.

18. **Reaffirms** the previous resolutions of the Islamic conferences supporting the city of Al-Quds Al-Sharif and consolidating the steadfastness of its people, and **calls upon** the Member States to support Bait Mal Al-Quds and Al-Quds Fund in order to enable them to perform their missions in safeguarding the Arab, Islamic and civilizational character of Al-Quds Al-Sharif, and strengthening the steadfastness of its people in countering the continued Israeli measures aimed to Judaizing the Holy City.
19. **Calls** on the Member States which have announced the twinning of their capitals and cities with the City of Al-Quds Al-Sharif to promptly sponsor some projects which strengthen the steadfastness of the Holy City, its inhabitants, and its institutions and **urges** the Member States that have not yet announced the twinning of their capitals and cities with the City of Al-Quds Al-Sharif, the capital of Palestine, to take early action to that end in affirmation of the spirit of Islamic solidarity with the Palestinian people.
20. **Condemns** Israel for its detention of the Speaker and Members of the Palestinian Legislative Council and expresses deep concern over the appalling conditions in which Palestinian and Arab detainees are held in Israeli prisons and detention camps. It also **calls on** the international community—represented by international and human rights organizations—to expose the inhuman Israeli practices inside Israeli prisons and exercise pressure on Israel in order to ensure the immediate release of the detainees.
21. **Urges** the international community and the UN Security Council to compel Israel to comply with U.N. resolutions, especially Security Council resolution 487 of 1981, to join the Nuclear Weapons Non-Proliferation Treaty, implement the resolutions of the General Assembly and the International Atomic Energy Agency (IAEA) calling for subjecting all Israeli nuclear installations to the Agency's comprehensive safeguards system. **Emphasizes** the necessity for Israel to declare its renunciation of nuclear armament and to submit to the UN Security Council and the IAEA a factual statement on its capabilities and stockpile of nuclear weapons and substances, given the fact that those are imperative steps toward making the Middle East a WMD-free area, particularly of nuclear weapons, which is essential to the establishment of a comprehensive and just peace in the region.
22. **Requests** the Secretary-General to follow up on the implementation of the present resolution and to report thereon to the 35th Session of the Islamic Conference of Foreign Ministers (ICFM).

Noting that Israel, in violation of Article 25 of the United Nations Charter, has refused to accept and implement the numerous relevant resolutions adopted by the Security Council, in particular resolution 497 (1981) which considered null and void and with no legal consequence Israel's decision to annex the occupied Syrian Golan;

Deeply concerned at Israel's persistent attempts to defy the will of the international community and its reaffirmation of the annexation decisions considered null and void and illegitimate by the international community;

Expressing concern over Israel's undermining of the Peace Process which was launched by the Madrid Conference on the basis of UN Security Council Resolutions 242 and 338, as well as the land-for-peace formula and the risks resulting from Israel's renegeing on the commitments and obligations reached,

1. **Affirms** its determined support and backing for the Syrian Arab Republic's demand and right to restore the totality of the occupied Syrian Arab Golan to the line of 4 June 1967, on the basis of the peace process and the resolutions of international legitimacy, building on what has been accomplished in post-1991 Madrid Conference negotiations. It **reaffirms** the previous Islamic resolutions which reject all the actions taken by the Israeli occupation authorities aimed at changing the legal, natural and demographic status of the occupied Syrian Arab

Golan, considering these actions null and void and a violation to international agreements and to UN Charter and resolutions.

2. **Lauds** the steadfastness of the Syrian Arab citizens in the occupied Syrian Golan against the occupation and their valiant resistance to Israel's repressive measures and against the continued attempts to undermine their attachment to their land and to their Syrian Arab identity, **and declares** its support for this steadfastness.
3. **Emphasizes** that the continued occupation of the Syrian Arab Golan constitutes a permanent threat to peace and security in the region and the world, and strongly condemns the Israeli practices of building and expanding settlements. It urges the international community to hold to the resolutions of international legitimacy, and renews its support and backing for the steadfastness of the Arab citizens in the occupied Arab Syrian Golan in countering occupation and its oppressive practices, as well as their determination to hold fast to their land and Syrian Arab identity.
4. **Strongly condemns** Israel for its failure to comply with Security Council Resolution 497 (1981) and **reaffirms** that Israel's decision to impose its laws, jurisdiction and administration on the Occupied Syrian Golan is null and void and has no legal validity whatsoever and that it constitutes a blatant violation of the UN Charter and relevant resolutions and the OIC Charter and resolutions, as well as the Fourth Geneva Convention on the Protection of Civilians in times of war dated 12 August 1949, the relevant provisions of the Hague Conventions of 1899 and 1907, and the rules of international law, in particular the inadmissibility of acquisition of territory by force.
5. **Strongly condemns** Israel for its persistence in changing the legal status, demographic composition and institutional structure of the occupied Syrian Golan, and for its policy and practices particularly confiscating lands, appropriating water resources, establishing and expanding settlements and transferring settlers and immigrants thereto, exploiting their natural resources and establishing projects on them, and imposing an economic boycott of the agricultural products of the local population and prohibiting their exportation.
6. **Strongly condemns also** Israel's attempts to impose Israeli nationality and identity cards on the Syrian Arab citizens, as these measures constitute a flagrant violation of the Universal Declaration on Human Rights, the Geneva Convention on the Protection of Civilians in Times of War of 1949 and the relevant resolutions of the UN General Assembly and other international bodies.
7. **Condemns** the repeated Israeli threats against Syria aiming at wrecking the peace process and escalating tension in the region.

9. **Reaffirms also** the right of the Syrian Arab Republic to recover its full sovereignty over the occupied Golan.

10. **Demands** Israel to fully withdraw from all the occupied Syrian Golan to the line of the 4th of June 1967 in implementation of the relevant resolutions of the UN Security Council and to begin demarcating that line.
11. **Also demands** Israel to fully respect all the foundations of the peace process as initiated in Madrid, consistent with UN Security Council Resolutions 242 and 338 and the “land for peace” formula, and to abide by all the commitments and pledges reached so far.
12. **Demands anew** all states to stop providing Israel with any military, economic, financial, technological or humanitarian assistance that may extend Israeli occupation of Syrian Golan and encourage Israel to pursue its expansionist settlement policy.
13. **Urges** the Quartet and the international community to assume their responsibilities and compel Israel to implement the resolutions of international legitimacy calling for total Israeli withdrawal from the occupied Syrian Golan to the line of 4 June 1967 and from other occupied Arab lands, and to immediately start demarcating this line in order to achieve a durable and comprehensive peace in the region.
14. **Declares** its support for the firm position of Syria in its commitment to a durable and comprehensive peace in the region.
15. **Requests** the Secretary-General to follow up on the implementation of this resolution, and to submit a report thereon to the 35th Session of the Islamic Conference of Foreign Ministers (ICFM).
