B

The General Assembly,

Having regard to the financial position of the Special Account for the United Nations Interim Force in Lebanon, as set forth in the report of the Secretary-General,¹⁹ and referring to paragraph 7 of the report of the Advisory Committee on Administrative and Budgetary Questions,²⁰

Mindful of the fact that it is essential to provide the United Nations Interim Force in Lebanon with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

Concerned that the Secretary-General is continuing to face growing difficulties in meeting the obligations of the United Nations Interim Force in Lebanon on a current basis, particularly those due to the Governments of troop-contributing States,

Recalling its resolution 34/9 E of 17 December 1979,

Recognizing that, in consequence of the withholding of contributions by certain Member States, the surplus balances in the Special Account for the United Nations Interim Force in Lebanon have, in effect, been drawn upon to the full extent to supplement the income received from contributions for meeting expenses of the Force,

Concerned that the application of the provisions of regulations 5.2 (b), 5.2 (d), 4.3 and 4.4 of the Financial Regulations of the United Nations would aggravate the already difficult financial situation of the United Nations Interim Force in Lebanon,

Decides that the provisions of regulations 5.2 (b), 5.2 (d), 4.3 and 4.4 of the Financial Regulations of the United Nations shall be suspended in respect of the amount of \$2,173,113, which otherwise would have to be surrendered pursuant to those provisions, this amount to be entered in the account referred to in the operative part of General Assembly resolution 34/9 E and held in suspense until a further decision is taken by the Assembly.

35/210. Personnel questions

The General Assembly.

Conscious of the importance that Member States attach to the personnel questions of the Organization.

Recalling the personnel policy and policy reform measures set out in its resolutions 1436 (XIV) of 5 December 1959, 31/26 of 29 November 1976, 32/17 of 11 November 1977, 33/143 of 20 December 1978 and 34/219 of 20 December 1979,

Having examined the reports of the Secretary-General on the composition of the Secretariat³⁵ and on the implementation of personnel policy reforms,³⁶

Taking note of the reports of the Joint Inspection Unit on the implementation of the personnel policy reforms approved by the General Assembly in 1974³⁷ and on the status of women in the Professional category and above in the United Nations system,³⁸

Concerned about the limited progress achieved in the establishment of a coherent personnel policy, as well as

in the implementation of the measures set out in the above-mentioned resolutions,

Noting the suggestions made by Member States during the deliberations of the Fifth Committee on this question at the thirty-fifth session,

Convinced that the effective and consistent implementation of the personnel policy and policy reform measures adopted by the General Assembly calls for an integrated approach to the personnel management requirements of the Organization.

Reaffirming that, as set out in Article 101, paragraph 3, of the Charter of the United Nations, the paramount consideration in the employment of staff at every level is the need for the highest standards of efficiency, competence and integrity, and convinced that this is compatible with the principle of equitable geographical distribution,

Recalling Article 8 of the Charter on the equality of opportunity for men and women to participate in the work of the Organization,

I

1. *Requests* the Secretary-General to continue to establish a target of 40 per cent of all vacancies arising in Professional posts subject to geographical distribution during the period 1981-1982 for the appointment of nationals of unrepresented and under-represented countries, in order to ensure that all such countries achieve their desirable ranges during that biennium, while ensuring that the representation of countries which are within desirable ranges does not decrease;

2. *Requests* the Secretary-General to establish and pursue an active recruitment policy in order to raise the levels of personnel recruited from unrepresented and under-represented countries and countries below the midpoint of their desirable ranges to the extent possible towards this midpoint;

3. *Reaffirms* that no post should be considered the exclusive preserve of any Member State, or group of States, and requests the Secretary-General to ensure that this principle is applied faithfully in accordance with the principle of equitable geographical distribution;

4. *Requests* the Secretary-General to continue to permit replacement by candidates of the same nationality within a reasonable time-frame in respect of posts held by staff members on fixed-term contracts, whenever this is necessary to ensure that the representation of Member States whose nationals serve primarily on fixed-term contracts is not adversely affected;

5. *Reaffirms* the need to increase the representation of developing countries in senior and policy-formulating posts, while safeguarding the principle of equitable geographical distribution in accordance with the relevant resolutions of the General Assembly;

6. *Reaffirms* the need to apply the regulations regarding the age of retirement and not to grant exceptions beyond six months after the established age of retirement;

II

Having considered the report of the Secretary-General on the geographical distribution of Professional staff in the Secretariat,³⁹

1. *Requests* the Secretary-General to calculate new desirable ranges for all Member States, to apply from
