lementation of the decision of the Organization of African Unity for the denuclearization of Africa,33

Stressing the need to preserve peace and security in Africa by ensuring that the continent is a nuclear-weapon-free zone,

1. Takes note of the report of the Secretary-General on South Africa’s nuclear capability;30

2. Condemns the massive buildup of South Africa’s military machine, in particular its frenzied acquisition of nuclear-weapon capability for repressive and aggressive purposes and as an instrument of blackmail;

3. Also condemns all forms of nuclear collaboration by any State, corporation, institution or individual with the racist régime of South Africa, in particular the decision by some Member States to grant licences to several corporations in their territories to provide equipment and technical and maintenance services for nuclear installations in South Africa;

4. Takes note with great concern of recent reports that collaboration between Israel and South Africa has resulted in the development by South Africa of a nuclear-tipped missile;

5. Welcomes the report of the Secretary-General on South Africa’s nuclear-tipped ballistic missile capability,31 submitted in accordance with paragraph 6 of its resolution 44/113 B;

6. Requests all Member States to submit to the Secretary-General their views and suggestions with respect to the above-mentioned report,31 and further requests the Secretary-General to submit a report thereon to the General Assembly at its forty-sixth session;

7. Reaffirms that the acquisition of nuclear-weapon capability by the racist régime constitutes a very grave danger to international peace and security and, in particular, jeopardizes the security of African States and increases the danger of the proliferation of nuclear weapons;

8. Expresses its full support for the African States faced with the danger of South Africa’s nuclear capability;

9. Commends the actions taken by those Governments which have taken measures to restrict co-operation with South Africa in nuclear and other fields;

10. Calls upon all States, corporations, institutions and individuals to terminate forthwith all forms of military and nuclear collaboration with the racist régime;

11. Requests the Secretary-General to provide all necessary assistance that the Organization of African Unity may seek regarding the modalities and elements for the preparation and implementation of the relevant convention or treaty on the denuclearization of Africa;

12. Commends the adoption by the Security Council of resolutions 558 (1984) of 13 December 1984 and 591 (1986) of 28 November 1986 on the question of South Africa, with a view to blocking the existing loopholes in the arms embargo so as to render it more effective and to prohibiting, in particular, all forms of co-operation and collaboration with the racist régime of South Africa in the nuclear field;

13. Demands once again that South Africa submit forthwith all its nuclear installations and facilities to inspection by the International Atomic Energy Agency;

14. Also requests the Secretary-General to follow very closely South Africa’s evolution in the nuclear field and to report thereon to the General Assembly at its forty-sixth session;

15. Further requests the Secretary-General to report to the General Assembly at its forty-sixth session on the military assistance that apartheid South Africa is receiving from Israel and any other sources in advanced missile technology as well as the supporting technical facilities.

45/57. Chemical and bacteriological (biological) weapons

A

CHEMICAL AND BACTERIOLOGICAL (BIOLOGICAL) WEAPONS

The General Assembly,

Recalling its previous resolutions relating to the complete and effective prohibition of the development, production and stockpiling of all chemical weapons and to their destruction,

Reaffirming the urgent necessity, particularly in the light of the past use of and recent threats to use chemical weapons, of strict observance by all States of the principles and objectives of the Protocol for the Prohibition of the Use in War of Asphyxiating, Poisonous or Other Gases, and of Bacteriological Methods of Warfare, signed at Geneva on 17 June 1925,34

Welcoming again in this regard the reaffirmation in the Final Declaration of the Conference of States Parties to the 1925 Geneva Protocol and Other Interested States, held in Paris from 7 to 11 January 1989, of the importance and continuing validity of the 1925 Protocol,35

Reaffirming also the urgent necessity of the adherence by all States to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction, signed in London, Moscow and Washington on 10 April 1972,36

Having considered the report of the Conference on Disarmament,37 which incorporates, inter alia, the report of its Ad Hoc Committee on Chemical Weapons,38 and expressing the hope that the consultations scheduled for the inter-sessional period will move the negotiations forward,

Convinced of the necessity that every effort be exerted for the successful conclusion of negotiations on the prohibition of the development, production, stock-
piling and use of all chemical weapons and on their destruction,

*Emphasizing* the importance of the widest possible participation of States in the negotiations on the draft convention in order to ensure universal adherence on its conclusion, and, in this regard, commending the growing number of States participating in those negotiations,

*Conscious* of the need to share data relevant to the negotiations on a future convention banning all chemical weapons on a global basis and of the fact that the provision of such data would be an important confidence-building measure,

*Noting* the bilateral and other discussions, including the ongoing exchange of views between the Union of Soviet Socialist Republics and the United States of America in the framework of the multilateral negotiations, on issues related to the prohibition of chemical weapons,

*Welcoming*, in this regard, the fact that the Union of Soviet Socialist Republics and the United States of America have agreed to cease the production of chemical weapons and to begin destroying their chemical weapons stockpiles,

*Welcoming also* the efforts made at all levels by States to facilitate the earliest conclusion of a convention for the prohibition of the development, production, stockpiling and use of chemical weapons and on their destruction and, in particular, the concrete steps designed to promote confidence and to contribute directly to that goal,

*Noting with appreciation* the increasing number of States that have declared their intention to be among the original signatories to the convention,

*Recognizing* that the effectiveness of such a convention will benefit from the support and co-operation of the chemical industry,

1. *Renews* its call to all States to observe strictly the principles and objectives of the Protocol for the Prohibition of the Use in War of Asphyxiating, Poisonous or Other Gases, and of Bacteriological Methods of Warfare, and to abide by the commitments undertaken in the Final Declaration of the Conference of States Parties to the 1925 Geneva Protocol and Other Interested States, held in Paris in January 1989;

2. *Notes* the progress made in the work of the *Ad Hoc* Committee on Chemical Weapons of the Conference on Disarmament during its 1990 session, and the results recorded in the Committee’s report;

3. *Expresses its regret and concern* that a convention on the prohibition of the development, production, stockpiling and use of chemical weapons and on their destruction has not yet been concluded;

4. *Strongly urges* the Conference on Disarmament, as a matter of highest priority, to intensify during its 1991 session its efforts to resolve outstanding issues, and to conclude its negotiations on a convention, taking into account all existing proposals and future initiatives, and to re-establish its *Ad Hoc* Committee on Chemical Weapons for that purpose;

5. *Requests* the Conference on Disarmament to report to the General Assembly at its forty-sixth session on the results of its negotiations;

6. *Stresses* the particular significance and importance of declarations made by States on whether or not they possess chemical weapons and of further international exchanges of data and other relevant information in connection with the negotiations on such a convention;

7. *Encourages* all States to take further initiatives, measures and steps to promote confidence and openness in order to contribute to an early agreement on, and universal adherence to, such a convention;

8. *Invites* all States to make every effort to ensure its early entry into force and its effective implementation;

9. *Decides* to include in the provisional agenda of its forty-sixth session the item entitled “Chemical and bacteriological (biological) weapons”.

*B* Implementation of the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction

**The General Assembly,**

*Recalling* its resolution 2826 (XXVI) of 16 December 1971, in which it commended the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction, in which it commended the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction, held at Geneva from 8 to 26 September 1986, for further strengthening the authority of the Convention and for enhancing confidence among States,

*Acknowledging* that the Final Declaration of the Second Review Conference expressed the need to give further consideration to, *inter alia*, the implementation of the Convention in all its aspects,

*Confirming* the common interest in strengthening the authority and the effectiveness of the Convention to promote confidence and co-operation among Member States as well as the necessity to comply with the obligations set forth in the Convention,

1. *Notes* that, at the request of the States parties, a Third Review Conference of the Parties to the Convention on the Prohibition of the Development, Production and Stockpiling of Bacteriological (Biological) and Toxin Weapons and on Their Destruction will be held at Geneva in 1991, that, following appropriate consultations, a preparatory committee for that Conference has been formed, open to all parties to the Convention, and that the committee will meet at Geneva from 8 to 12 April 1991;

2. *Requests* the Secretary-General to render the necessary assistance and to provide such services as may...
be required for the Third Review Conference and its preparation;

3. Recalls in that regard the decision taken at the Second Review Conference that the Third Review Conference should consider, inter alia, the issues set out in article XII of the Final Declaration of the Second Review Conference;

4. Reiterates its call upon all States parties to the Convention to participate in the exchange of information and data agreed to in the Final Declaration of the Second Review Conference and to provide such information and data in conformity with the standardized procedure\(^40\) to the Secretary-General on an annual basis and not later than 15 April;

5. Also recalls its request in resolution 44/115 C of 15 December 1989 that the Secretary-General should render the necessary assistance and should provide such services as may be required for the implementation of the relevant parts of the Final Declaration of the Second Review Conference;

6. Further recalls its request in resolution 44/115 C that the Secretary-General should circulate to the States parties to the Convention not later than four months prior to the convening of the Third Review Conference a report on the implementation of these confidence-building measures;

7. Calls upon all States that have not ratified or acceded to the Convention to do so without delay, thus contributing to the achievement of universal adherence to the Convention and to the strengthening of international confidence.

CHEMICAL AND BACTERIOLOGICAL (BIOLOGICAL) WEAPONS: MEASURES TO UPHOLD THE AUTHORITY OF THE 1925 GENEVA PROTOCOL

The General Assembly,

Recalling its previous resolutions, and those adopted by the Security Council, on the use of chemical weapons,

Reaffirming its resolution 44/115 B of 15 December 1989 on measures to uphold the authority of the 1925 Geneva Protocol and to support the conclusion of a chemical weapons convention,

Bearing in mind the reaffirmation in the Final Declaration of the Conference of States Parties to the 1925 Geneva Protocol and Other Interested States, held in Paris from 7 to 11 January 1989, of the importance and the continuing validity of the 1925 Protocol,

Deploring the use and threat of use of chemical weapons,

1. Condemns vigorously all actions that violate or threaten to violate the obligations assumed under the Protocol for the Prohibition of the Use in War of Asphyxiating, Poisonous or Other Gases, and of Bacteriological Methods of Warfare, signed at Geneva on 17 June 1925,\(^44\) and other relevant provisions of international law;

2. Renews its call to all States to observe strictly the principles and objectives of the 1925 Geneva Protocol, and reaffirms the vital necessity of upholding its provisions;

3. Endorses the proposals of the group of qualified experts established in pursuance of its resolution 42/37 C of 30 November 1987 concerning technical guidelines and procedures to guide the Secretary-General in the conduct of timely and efficient investigation of the reports of use of chemical and bacteriological (biological) or toxin weapons;\(^41\)

4. Notes the continuing significance of the Security Council decision to consider immediately, taking into account the investigations of the Secretary-General, appropriate and effective measures in accordance with the Charter of the United Nations,\(^42\) should there be any future use of chemical weapons in violation of international law.

45/58. General and complete disarmament

A

RELATIONSHIP BETWEEN DISARMAMENT AND DEVELOPMENT

The General Assembly,

Recalling the provisions of the Final Document of the Tenth Special Session of the General Assembly\(^15\) related to the relationship between disarmament and development,

Recalling also the adoption on 11 September 1987 of the Final Document of the International Conference on the Relationship between Disarmament and Development,\(^43\)

Stressing the growing importance of the relationship between disarmament and development in current international relations,

1. Welcomes the report of the Secretary-General\(^44\) and actions undertaken in accordance with the Final Document of the International Conference on the Relationship between Disarmament and Development;

2. Requests the Secretary-General to continue to take action, through the appropriate organs and within available resources, for the implementation of the action programme adopted at the International Conference;\(^45\)

3. Also requests the Secretary-General to submit a report to the General Assembly at its forty-sixth session;

4. Decides to include in the provisional agenda of its forty-sixth session the item entitled “Relationship between disarmament and development”.
