Reaffirming the solemn obligation of the administering Powers under the Charter of the United Nations to promote the political, economic, social and educational advancement of the inhabitants of the Territories under their administration and to protect the human and natural resources of those Territories against abuses,

Reaffirming also that any economic or other activity that constitutes an obstacle to the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples and obstructs efforts aimed at the elimination of colonialism is a direct violation of the rights of the inhabitants and of the principles of the Charter and all relevant resolutions of the United Nations,

Reaffirming further that the natural resources are the heritage of the indigenous populations of the colonial and Non-Self-Governing Territories,

Aware of the special circumstances of the geographical location, size and economic conditions of each Territory and bearing in mind the need to promote the stability, diversification and strengthening of the respective economy of each Territory,

Conscious of the particular vulnerability of the small Territories to natural disasters and environmental degradation,

Conscious also that foreign economic investment, when done in collaboration with the peoples of the Non-Self-Governing Territories and in accordance with their wishes, could make a valid contribution to the socio-economic development of the Territories and could also make a valid contribution to the exercise of their right to self-determination,

Concerned about the activities of those foreign economic, financial and other interests which exploit the natural and human resources of the Non-Self-Governing Territories to the detriment of the interests of the inhabitants of those Territories and deprive them of their right to control the wealth of their countries,

2. *Affirms* the value of foreign economic investment undertaken in collaboration with the peoples of the Non-Self-Governing Territories and in accordance with their wishes in order to make a valid contribution to the socio-economic development of the Territories;

3. *Reiterates* that any administering Power that deprives the colonial peoples of Non-Self-Governing Territories of the exercise of their legitimate rights over their natural resources, or subordinates the rights and interests of those peoples to foreign economic and financial interests, violates the solemn obligations it has assumed under the Charter of the United Nations;

4. *Reaffirms its concern* about the activities of those foreign economic, financial and other interests which continue to exploit the natural resources that are the heritage of the indigenous populations of the colonial and Non-Self-Governing Territories in the Caribbean, the Pacific and other regions, as well as their human resources, to the detriment of their interests, thus depriving them of their right to control the resources of their Territories and impeding the realization by those peoples of their legitimate aspirations for self-determination and independence;

5. *Reiterates its deep concern* about those activities of foreign economic and other interests in the colonial and Non-Self-Governing Territories which are impeding the implementation of the Declaration on the Granting of Independence to Colonial Countries and Peoples, contained in its resolution 1514 (XV), and the efforts to eliminate colonialism;

6. *Calls once again upon* all Governments that have not yet done so to take, in accordance with the relevant provisions of its resolution 2621 (XXV) of 12 October 1970, legislative, administrative or other measures in respect of their nationals and the bodies corporate under their jurisdiction, if any, that own and operate enterprises in colonial and Non-Self-Governing Territories that are detrimental to the interests of the inhabitants of those Territories, in order to put an end to such practices and to prevent new investments that run counter to the interests of the inhabitants of those Territories;

7. *Reiterates* that the damaging exploitation and plundering of the marine and other natural resources of colonial and Non-Self-Governing Territories by foreign economic interests, in violation of the relevant resolutions of the United Nations, is a threat to the integrity and prosperity of those Territories;

8. *Invites* all Governments and organizations of the United Nations system to ensure that the permanent sovereignty of the peoples of colonial and Non-Self-Governing Territories over their natural resources is fully respected and safeguarded;

9. *Urges* the administering Powers concerned to continue to take effective measures to safeguard and guarantee the inalienable right of the peoples of the colonial and Non-Self-Governing Territories to their natural resources and to

establish and maintain control over the future development of those resources, and requests the administering Powers to continue to take all necessary steps to protect the property rights of the peoples of those Territories;

10. *Calls upon* the administering Powers concerned to ensure that no discriminatory working conditions prevail in the Territories under their administration and to promote in each Territory a fair system of wages applicable to all the inhabitants without any discrimination;

11. *Requests* the Secretary-General to continue, through all means at his disposal, to inform world public opinion of those activities of foreign economic and other interests which impede the implementation of the Declaration;

12. *Appeals* to the mass media, trade unions and non-governmental organizations, as well as individuals, to continue their efforts for the full implementation of the Declaration;
