### **1879 (S-IV). Establishment of a peace fund**

*The General Assembly,*

*Bearing in mind* the purposes of the United Nations as set out in Article 1 of the Charter of the United Nations,

*Realizing* the need for prompt and effective action to prevent any threats to or breaches of international peace and security,

*Believing* that inadequate financial resources can seriously delay or jeopardize the success of such action,

*Desiring* to make sufficient funds readily available to the Secretary-General, thus enabling him to discharge, without undue delay, his responsibilities under the Charter in cases of breaches of the peace,

*Convinced* that the establishment of a peace fund through voluntary contributions from Member States as well as organizations and individuals is worthy of study as a means of furthering this objective,

1. *Requests* the Secretary-General to consult all Member States and interested organizations on the desirability and feasibility of establishing such a peace fund;

2. *Further requests* the Secretary-General to report to the General Assembly at its eighteenth session.

*The General Assembly,*

*Recalling* its resolution 1854 B (XVII) of 19 December 1962,

*Bearing in mind* the principles enunciated in its resolution 1874 (S-IV) of 27 June 1963, that shall serve as guidelines for the equitable sharing of the costs of peace-keeping operations involving heavy expenditures that may be initiated in the future, to the extent that these expenditures will not be otherwise covered by agreed arrangements,

*Bearing in mind further* that the maintenance of peace and security is a primary purpose of the United Nations,

*Desirous* that ways and means should be found to arrive at working arrangements so that all Member States may feel able to share in such costs,

*Noting* that the tasks with which the Working Group on the Examination of the Administrative and Budgetary Procedures of the United Nations was charged have not been completed,

1. *Decides* to continue in being the Working Group on the Examination of the Administrative and Budgetary Procedures of the United Nations;

2. *Requests* the Working Group:

(a) To recommend a special method for the equitable sharing of the costs of future peace-keeping operations involving heavy expenditures to the extent not otherwise covered by agreed arrangements;

(b) To consider suggestions regarding other sources of financing future peace-keeping operations;

(c) To explore ways and means for bringing about the widest possible measure of agreement among all Member States on the question of the financing of future peace-keeping operations;

3. *Invites* the Working Group to consult as appropriate with the Committee on Contributions;

4. *Requests* the Secretary-General to make available to the Working Group the necessary facilities and assistance for the accomplishment of its tasks;

5. *Requests* the Working Group to report on these matters to the General Assembly as soon as possible, but not later than at its nineteenth session.
