

6. *Requests* the Trusteeship Council to undertake such amendment of its procedure for the administration of the project as may be necessary to permit applications to be made through the Secretary-General as well as through the territorial authorities, it being understood that upon receipt of any such applications the Secretary-General will transmit them simultaneously to the Administering Authorities and the offering States concerned;

7. *Requests* the Secretary-General to include in United Nations information material prepared for dissemination in the Trust Territories details of all such offers and of the procedures to be followed in submitting applications.

**754 (VIII). Dissemination of information on the United Nations and on the International Trusteeship System in Trust Territories**

*The General Assembly,*

*Reaffirming* the opinion expressed in its resolution 556 (VI) of 18 January 1952 that it is essential that the peoples of Trust Territories should receive adequate information concerning the United Nations,

*Observing* that the existing arrangements for the supply of such information are based on Trusteeship Council resolution 36 (III) of 8 July 1948, which invites the Administering Authorities to furnish the Secretary-General (a) with the names and addresses of officials in the Trust Territories to whom suitable material should be sent for information, and (b) with suggestions as to the appropriate channels through which information concerning the United Nations may be communicated to the general public,

*Noting*, however, from the most recent report<sup>21</sup> submitted to the Council by the Secretary-General on the implementation of the above-mentioned resolution, that while the Administering Authorities have submitted lists of names and addresses in accordance with the first part of the resolution, they have in no case made any specific suggestions concerning the dissemination of information to the inhabitants of the Trust Territories and to the general public,

*Noting* from the report that, as the Secretary-General had pointed out in his previous reports on the subject, and as had been emphasized by the observations of the Visiting Missions to West Africa and to the Pacific, which are summarized in the report, the dissemination of information on the United Nations to the peoples of the Trust Territories is still far from satisfactory,

1. *Expresses the opinion* that the existing arrangements for the dissemination in the Trust Territories of information on the United Nations are, in general, inadequate and of limited effectiveness;

2. *Invites* the Administering Authorities to furnish the Secretary-General, in accordance with Trusteeship Council resolution 36 (III) of 8 July 1948, with suggestions as to the appropriate channels through which information on the United Nations and on the International Trusteeship System may be communicated to the general public in the Trust Territories (e.g., Press, radio, non-governmental organizations, trade unions, libraries, cultural, educational and religious institutions, teachers, missionaries, etc.);

<sup>21</sup> See document T/1073.

3. *Requests* the Secretary-General to initiate at the earliest possible date, on the basis of the suggestions furnished by the Administering Authorities or his own knowledge of appropriate information channels, or by making use of both of these sources together, a direct flow of information material addressed to the General public in the Trust Territories;

4. *Requests* the Secretary-General to include in his periodic reports on this matter to the Trusteeship Council lists of the channels of dissemination which he has established in pursuance of the present resolution.

471st plenary meeting,  
9 December 1953.

**755 (VIII). Attainment of independence by the Trust Territory of Somaliland under Italian administration by 1960**

*The General Assembly,*

*Taking into consideration* the fact that, under General Assembly resolution 289 A (IV), adopted on 21 November 1949, the Trust Territory of Somaliland under Italian administration is to attain complete independence by 1960,

*Mindful* that it is necessary for that purpose that the people of Somaliland shall be prepared for self-government,

*Considering* that it is the duty of both the United Nations and the Administering Authority to take the necessary measures for the implementation of that decision,

1. *Notes with appreciation* the efforts made by the Administering Authority in Somaliland to fulfil the obligations laid down in the Charter and in the Trusteeship Agreement;

2. *Recommends* that the Administering Authority, in consultation with the Advisory Council, should continue to take the necessary steps to prepare the Somali people progressively for the attainment of complete independence, and to that end:

(a) The Territorial Council should be granted the powers of a legislative organ and its members should be elected by the people on the basis of universal adult suffrage;

(b) The administration of Somaliland should be progressively transferred to the indigenous inhabitants as a necessary preliminary to its assumption of independence;

(c) A general economic plan for the Territory should be completed without delay, taking into account the recommendations<sup>22</sup> of the United Nations Technical Assistance Mission to the Trust Territory of Somaliland under Italian administration, particular attention being paid to methods for developing basic economic resources such as agriculture and stock-breeding, and to possibilities for improving and expanding existing industries;

(d) Efforts should be made to increase the revenue in order to balance the budget as soon as possible, and to that effect expenditures for military and police forces should be reduced to the indispensable minimum;

(e) Use of technical assistance facilities provided by the United Nations and the specialized agencies to assist in economic development and the improvement of social and educational conditions in the Territory should be encouraged;
