

*Noting with increasing concern* that nuclear weapon tests in the atmosphere and underground are continuing,

*Taking into account* that several concrete suggestions have been set forth in the Conference of the Committee on Disarmament as to possible provisions in a treaty banning underground nuclear weapon tests,

1. *Urges* all States that have not yet done so to adhere without further delay to the Treaty Banning Nuclear Weapon Tests in the Atmosphere, in Outer Space and under Water;

2. *Calls upon* all nuclear-weapon States to suspend nuclear weapon tests in all environments;

3. *Requests* the Conference of the Committee on Disarmament to continue, as a matter of urgency, its deliberations on a treaty banning underground nuclear weapon tests, taking into account the proposals already made in the Conference as well as the views expressed at the current session of the General Assembly, and to submit to the Assembly at its twenty-sixth session a special report on the results of its deliberations.

1919th plenary meeting,  
7 December 1970.

#### 2664 (XXV). Implementation of the results of the Conference of Non-Nuclear-Weapon States

*The General Assembly,*

*Having reviewed* the report of the Secretary-General on the implementation of the results of the Conference of Non-Nuclear-Weapon States,<sup>19</sup> prepared in pursuance of General Assembly resolution 2605 A (XXIV) of 16 December 1969,

*Having reviewed in particular* the comprehensive report, annexed thereto, regarding action taken by the International Atomic Energy Agency on the recommendations of the Conference of Non-Nuclear-Weapon States,<sup>20</sup>

*Recognizing* the importance of increasing the number of major nuclear projects in the developing countries,

*Noting with satisfaction* that the International Atomic Energy Agency is maintaining a fund of special fissionable materials and intends to continue its efforts to ensure the supply to States members of the Agency, when required, of such materials, including materials for power reactors,

*Appreciating* the assistance given by the United Nations Development Programme, through the International Atomic Energy Agency, to meet the growing demand of developing countries in the field of the peaceful uses of atomic energy,

*Noting* the launching in 1970 of the International Nuclear Information Service to improve the identification and availability of information relating to nuclear science and its applications for peaceful purposes,

*Noting* the recent steps taken by the International Atomic Energy Agency to meet its increasing responsibilities,

1. *Notes with satisfaction* the report of the Secretary-General and the reports of the International Atomic Energy Agency annexed thereto;<sup>21</sup>

2. *Takes note* of the increase in the target for voluntary contributions to the programme of technical assistance of the International Atomic Energy Agency and

draws the attention of States members of the Agency to the appeals made to increase the funds available to the Agency for multilateral assistance in the nuclear field;

3. *Recommends* that the international sources of finance should keep under review their policies regarding the financing of meritorious nuclear projects, bearing in mind not only the short-range but also the long-range contribution such projects may make to economic and technical development;

4. *Invites* the specialized agencies, the International Atomic Energy Agency and other bodies to pursue as appropriate their action concerning the recommendations contained in the resolutions of the Conference of Non-Nuclear-Weapon States;

5. *Invites* the Director-General of the International Atomic Energy Agency, in consultation with the specialized agencies and other bodies concerned, to submit, in his annual report to the General Assembly, information on further developments concerning the question of the implementation of the results of the Conference of Non-Nuclear-Weapon States;

6. *Requests* the Secretary-General to include in the provisional agenda of the twenty-sixth session of the General Assembly the question of the implementation of the results of the Conference of Non-Nuclear-Weapon States.

1919th plenary meeting,  
7 December 1970.

#### 2665 (XXV). Establishment, within the framework of the International Atomic Energy Agency, of an international service for nuclear explosions for peaceful purposes under appropriate international control

*The General Assembly,*

*Having reviewed* the report of the International Atomic Energy Agency<sup>22</sup> on the establishment, within the framework of the International Atomic Energy Agency, of an international service for nuclear explosions for peaceful purposes under appropriate international control,

*Appreciating* the work undertaken by the International Atomic Energy Agency in this respect,

*Noting* that the International Atomic Energy Agency has convened a number of expert groups to advise the Director-General of the Agency on the technical aspects of this technology and on the character of the international observation it might perform pursuant to the Treaty on the Non-Proliferation of Nuclear Weapons,

1. *Expresses its appreciation* of the studies recently performed on this subject;

2. *Commends* the International Atomic Energy Agency for its efforts to compile and evaluate information on the present status of the technology and to make it available on an international scale;

3. *Requests* the International Atomic Energy Agency to continue and intensify its programme in this field;

4. *Requests* the Secretary-General to include in the provisional agenda of the twenty-sixth session of the General Assembly an item entitled "Establishment, within the framework of the International Atomic Energy Agency, of an international service for nuclear
