39/182. Special economic assistance to Liberia

The General Assembly,

Recalling its resolutions 36/207 of 17 December 1981 and 37/149 of 17 December 1982, in which it appealed to all Member States, the specialized agencies and other organizations of the United Nations system and international development and financial institutions to provide all possible assistance for the reconstruction, rehabilitation and development of Liberia,

Recalling also the summary report of the Secretary-General,⁸⁰

Noting from the report that, despite a variety of adverse factors, Liberia continues to make some progress in its development efforts as a result of the measures adopted by the Government,

Having noted the efforts of the Government of Liberia to mobilize international support for the country's development plan through the organization of a round-table conference of donors, held at Berne in October 1983 with the assistance of the United Nations Development Programme,

Deeply concerned that Liberia continues to experience serious economic and financial difficulties, characterized by a severe balance-of-payments problem, heavy burden of external debt and shortfall in export earnings, which have contributed to the lack of resources to implement its planned economic and social development programmes,

1. Expresses its appreciation to the Secretary-General for the measures he has taken to organize and mobilize support for the international economic assistance programme for Liberia;

2. Notes with satisfaction the interest in the development plan of Liberia expressed by participants in the round-table conference of donors;

3. Appeals to all States, international financial institutions and organizations of the United Nations system to respond generously and urgently to the needs of Liberia as set forth in that country's development plan, taking into account its current critical economic situation;

4. Takes note of the measures being taken by the Government of Liberia to strengthen the economy of the country through institutional and economic policy reforms;

5. Reiterates once again its appeal to all States, international financial institutions and organizations of the United Nations system to provide substantial and appropriate assistance, through bilateral and multilateral channels, preferably in the form of grants-in-aid or loans granted on concessionary terms, in order to enable Liberia to carry out fully the recommended economic assistance programme;

6. Requests the Secretary-General:

(a) To continue his efforts to mobilize the necessary resources for an effective programme of financial, technical and material assistance to Liberia;

(b) To keep the situation regarding assistance to Liberia under constant review, to maintain close contact with

Member States, specialized agencies, regional and other intergovernmental organizations and the international financial institutions concerned and to apprise the Economic and Social Council, at its second regular session of 1985, of the status of the special programme of economic assistance for Liberia;

(c) To arrange for a review of the economic situation in Liberia and the status of the special programme of economic assistance and to report thereon to the General Assembly at its fortieth session.

39/183. Assistance to Lesotho

The General Assembly,

Recalling Security Council resolution 402 (1976) of 22 December 1976, in which the Council, *inter alia*, expressed concern at the serious situation created by South Africa's closure of certain border posts between South Africa and Lesotho aimed at coercing Lesotho into according recognition to the bantustan of the Transkei,

Recalling also Security Council resolution 535 (1983) of 29 June 1983, in which the Council endorsed the report of the mission dispatched to Lesotho in response to resolution 527 (1982) of 15 December 1982,⁸¹

Commending the decision of the Government of Lesotho not to recognize the Transkei, in compliance with United Nations decisions, particularly General Assembly resolution 31/6 A of 26 October 1976,

Also commending the Government of Lesotho for its steadfast opposition to *apartheid* and its generosity to the South African refugees,

Fully aware that the decision of the Government of Lesotho not to recognize the Transkei and its acceptance of refugees from South Africa have imposed special economic burdens upon its people,

Strongly endorsing the appeals for assistance to Lesotho made in Security Council resolutions 402 (1976) of 22 December 1976, 407 (1977) of 25 May 1977 and 535 (1983) of 29 June 1983, in General Assembly resolutions 32/98 of 13 December 1977, 33/128 of 19 December 1978, 34/130 of 14 December 1979, 35/96 of 5 December 1980, 36/219 of 17 December 1981, 37/160 of 17 December 1982 and 38/215 of 20 December 1983,

Having examined the report of the Secretary-General,⁸² submitted in response to General Assembly resolution 38/215, which contains a review of the economic situation and of the progress made in the implementation of the special programme of economic assistance for Lesotho,

Noting the priority which the Government of Lesotho accords to raising levels of food production through increased productivity, thus lessening the country's dependency on South Africa for food imports,

Aware that the high prices paid by Lesotho for its imports of petroleum products as a result of the oil embargo on South Africa have become a serious impediment to the development of the country,

Recognizing, in connection with such embargoes, the obligation of the international community to help countries such as Lesotho that act in support of the Charter of the United Nations and in compliance with General Assembly resolutions,
