41/195. Assistance to Uganda

The General Assembly,

Recalling its previous resolutions and its decision 40/453 of 17 December 1985 on assistance to Uganda,

Recognizing that the Government of Uganda, which came to power in January 1986, is facing the arduous tasks of rehabilitation and reconstruction following years of conflict that have resulted in tragic loss of life, ravaging of the country's socio-economic infrastructure and uprooting of large segments of its population,

Taking into account the Emergency Relief and Rehabilitation Programme launched by the Government in February 1986 and the interim macro-economic measures announced in July 1986,

Noting that a special programme of economic assistance has been formulated covering short-term emergency and rehabilitation needs, including restoration of services such as health, water and sanitation, education, housing and roads, and rehabilitation of the agriculture and livestock sectors, as well as productive industrial enterprises,

Recognizing that Uganda is not only land-locked, but also one of the least developed and most seriously affected countries,

Noting the appeals made by the Secretary-General for assistance to Uganda,

Taking note of the report of the Secretary-General,⁵³ presenting a special programme of economic assistance for international funding,⁵⁴

Reaffirming the urgent need for further international action to assist the Government of Uganda in its continuing efforts for national reconstruction, rehabilitation and development,

Encouraged that the economic policies of the Government of Uganda and the support assistance provided by the donor countries and international organizations have already produced positive signs of economic recovery,

1. *Expresses its appreciation* to the Secretary-General for the steps he has taken to mobilize assistance for Uganda;

2. *Also expresses its appreciation* to those States and organizations that have provided assistance to Uganda;

3. *Endorses* the assessment and recommendations contained in the appendix to the report of the Secretary-General;
