

### 1993/43. Implementation of the United Nations System-Wide Action Plan on Drug Abuse Control

*The Economic and Social Council,*

Recalling the relevant provisions of General Assembly resolutions 44/141 of 15 December 1989, 45/179 of 21 December 1990 and 47/100 of 16 December 1992 concerning the establishment, adjustment and updating of the United Nations System-Wide Action Plan on Drug Abuse Control,<sup>116</sup>

Recalling in particular that the General Assembly, in its resolution 47/100, expressed concern at the limited progress made by the agencies and organizations of the United Nations system towards the implementation of the System-Wide Action Plan, and called on them to incorporate fully into their programmes all the mandates and activities contained in the System-Wide Action Plan,

Bearing in mind that, in accordance with General Assembly resolution 45/179, the Executive Director of the United Nations International Drug Control Programme has the exclusive responsibility for coordinating and providing effective leadership for all United Nations drug control activities, and the Commission on Narcotic Drugs is the principal United Nations policy-making body on drug control issues,

Convinced that the efficiency and effectiveness of international cooperation in the field of drug abuse control depends on the full implementation of all the mandates and activities contained in the System-Wide Action Plan,

1. Reaffirms the necessity, in view of the limited resources at the disposal of the United Nations International Drug Control Programme, for all relevant agencies of the United Nations system, as well as other international institutions, to actively contribute, each in its own field of activity, to the effective implementation of the Global Programme of Action adopted by the General Assembly at its seventeenth special session,<sup>90</sup> devoted to the question of international cooperation against illicit production, supply, demand, trafficking and distribution of narcotic drugs and psychotropic substances, and to fully cooperate with the United Nations International Drug Control Programme to that effect;

2. Calls upon all entities and agencies of the United Nations system associated with the United Nations System-Wide Action Plan on Drug Abuse Control, including the United Nations Children's Fund, the United Nations Development Programme, the United Nations Population Fund, the World Food Programme, the United Nations Environment Programme, the International Labour Organisation, the Food and Agriculture Organization of the United Nations, the United Nations Educational, Scientific and Cultural Organization, the World Health Organization, the International Fund for Agricultural Development, the United Nations Industrial Development Organization and the Office of the United Nations High Commissioner for Refugees, to establish agency-specific implementation plans for their activities related to drug abuse control, and to fully incorporate the implementation of the System-Wide Action Plan into their planning instruments;

3. Calls upon Member States represented in the entities and agencies concerned to consistently emphasize the importance of drug abuse control within the broader context of development, and to ensure that activities and con-

cerns relating to drug abuse control are appropriately reflected, as matters of priority, in their agendas;

4. Calls upon the governing bodies of the entities and agencies concerned to facilitate the implementation of the System-Wide Action Plan by designating an agenda item under which it may be considered at their next regular meeting;

5. Notes that, in accordance with General Assembly resolution 47/100, the Administrative Committee on Coordination gave due attention, under the direction of the Executive Director of the United Nations International Drug Control Programme, to the updating of the System-Wide Action Plan for the consideration of the Economic and Social Council at its substantive session of 1993 and of the Assembly at its forty-eighth session;

6. Requests the United Nations International Drug Control Programme, through its network of field offices, to ensure coordination of all operational activities relating to drug abuse control at the field level, in collaboration with field representatives of other bodies within the United Nations system;

7. Invites the Joint Consultative Group on Policies, consisting of the United Nations Development Programme, the United Nations Children's Fund, the United Nations Population Fund, the World Food Programme and the International Fund for Agricultural Development, to further develop its cooperation with the United Nations International Drug Control Programme in order to improve the coordination of activities relating to drug abuse control within the United Nations system;

8. Requests the Commission to promote and monitor the implementation of the updated System-Wide Action Plan, and requests the Programme to submit an annual report thereon to the Commission, starting with its thirty-seventh session.

27 July 1993

### 1993/44. Human rights and extreme poverty

*The Economic and Social Council,*

Taking note of Commission on Human Rights resolution 1993/13 of 26 February 1993<sup>78</sup> and recalling resolution 1992/27 of 27 August 1992 of the Subcommission on Prevention of Discrimination and Protection of Minorities,<sup>117</sup>

1. Approves the appointment of Mr. Leandro Despouy as Special Rapporteur on the question of human rights and extreme poverty with responsibility for preparing a study on this subject on the basis of the aspects set out by the Commission on Human Rights in its resolutions 1989/10 of 2 March 1989,<sup>118</sup> 1990/15 of 23 February 1990<sup>119</sup> and 1991/14 of 22 February 1991,<sup>120</sup> bearing particularly in mind the approach defined in Commission resolution 1992/11 of 21 February 1992;<sup>99</sup>

2. Requests the Secretary-General to continue his consultations on the topic of human rights and extreme poverty with Governments, specialized agencies and intergovernmental and non-governmental organizations and to inform the Special Rapporteur of the conclusions of those consultations;
