OF HUMAN RIGHTS
(Article 22)

France: Amendment to Document A/C.3/347/Rev.1

Everyone is entitled to a standard of living which, by means of his personal resources supplemented by social services, will be adequate to guarantee his and his family's health and well-being, including food, clothing, housing and medical care. He is similarly entitled to security in the event of unemployment, sickness, disability, widowhood, old age or in any other case of loss of livelihood owing to circumstances beyond his control.
