Paragraph 3

Replace existing text with the following:

3. The present report describes the human rights situation in northern Sudan. During the five-year period covered by the report, Southern Sudan continued to administer its affairs with full independence, in keeping with the Comprehensive Peace Agreement signed in 2005 and the principles set out in the Interim National Constitution of the Republic of the Sudan of 2005. Consequently, a single report, consisting of two parts, has been prepared for the Republic of the Sudan. The report contains one part on the situation in the northern States of the Sudan and an additional part on the human rights situation in Southern Sudan.
