
Conference on Disarmament

29 March 2011

Original: English

Indicative timetable with informal meetings of the Conference on its agenda

(Adopted at the 1119th plenary meeting on 29 March 2011)

March 28 to May 27, 2011 Session

1. The organization of informal meetings listed below is without prejudice to any future decision the Conference might take on its programme of work.
2. These informal discussions will complement – and in no case replace – the Conference on Disarmament's on-going activities, in particular the continuing debate towards the early adoption of a programme of work.
3. The informal meetings on the substantive Agenda items will be chaired/coordinated by Representatives to the Conference, reflecting broad geographical balance. As such, meetings on agenda items 1 and 2 will be chaired/coordinated by Ms. Kshenuka Senewiratne, Ambassador of Sri Lanka (first 2 meetings) and Mr. Giovanni Manfredi, Ambassador of Italy (last 2 meetings), agenda item 3 by Mr. Luiz Filipe de Macedo Soares, Ambassador of Brazil, agenda item 4 by Mr. Fodé Seck, Ambassador of Senegal, and agenda items 5, 6 and 7 by Mr. Mikhail Khvostov, Ambassador of Belarus.
4. Under the authority of the incumbent President, the chairs/coordinators will organize and chair/coordinate debates in a comprehensive manner and without preconditions, taking into account all relevant past, present and future views and proposals. These discussions are neither pre-negotiations nor negotiations.
5. The chairs/coordinators are required to report orally, in their personal capacity, on the discussions of the various substantive agenda items to the President who, in conjunction with each of them, would finalize the reports, under his/her own responsibility. The reports will not affect in any way the positions of the CD members.
6. Following informal consultations with CD members, the incumbent President will transmit, through a letter to be addressed to the Conference, the report of the Chairs prepared in their personal capacity and submitted to him/her on the work done by them.

First part of the 2011 session
