Note by the President of the Security Council

In addition to the provisions contained in the note by the President of the Security Council ([S/2010/507](#)), the members of the Council recall the importance of the proceedings of the Council and, with regard to the official records of the Council:

(a) Recall, in particular, paragraph 37 of the annex to the note, on the distribution of statements in the Council Chamber;

(b) Recognize that the texts of the statements made at the meetings of the Council can be a useful additional tool for the preparation of the verbatim records of the Council and therefore encourage members and non-members of the Council to provide those texts to the Secretariat when delegations are not able, or choose not, to provide the number of copies referred to in paragraph 37 of the annex to the note;

(c) Encourage members and non-members of the Council to contact the Verbatim Reporting Service of the Department for General Assembly and Conference Management (verbatimrecords@un.org) in cases where, with a view to ensuring the accuracy of the official records of the Council, corrections or adjustments in the verbatim records reflecting their own statements are needed either in the official language used by each delegation or in any other of the official languages of the United Nations.
