**Annex to the note verbale dated 17 August 2016 from the Permanent Mission of Ukraine to the United Nations addressed to the Chair of the Committee**

**Report of Ukraine on the implementation of Security Council resolutions 2127 (2013), 2134 (2014) and 2262 (2016)**

Ukraine consistently pays particular attention to ensuring that Security Council resolutions are implemented and adheres strictly to their provisions, as well as to the provisions of Article 25 of the Charter of the United Nations, whereby the Members of the United Nations agree to accept and carry out the decisions of the Security Council.

In Ukraine, the implementation of measures taken by the Security Council in accordance with Article 41 of the Charter is governed by a number of legal acts.

On 16 April 1991, Act No. 959-XII on foreign economic activities was adopted, article 17 whereof envisages that in order to comply with the decisions of the Security Council on the application of restrictions and/or an embargo on the supply of goods to a particular State, the export of relevant goods from Ukraine's territory to that State shall be forbidden.

On 20 February 2003, Act No. 549-IV on State control over international transfers of military and dual-use commodities was adopted, article 10 whereof envisages that state export control shall also be exercised over the export of goods which, pursuant to the relevant resolutions of the Security Council, are under a full or partial embargo.

On 14 August 2014, Act No.1644-VII on sanctions was adopted, which envisages, according to article 3, subparagraph 1 (2), that resolutions of the Security Council are a basis for the application of sanctions by Ukraine.

All subjects of foreign economic activity and officials of Ukraine shall bear responsibility in accordance with the legislation of Ukraine for violating embargos imposed in accordance with relevant Security Council resolutions.

Following the adoption of Security Council resolutions 2127 (2013), 2134 (2014) and 2262 (2016), the Ministry of Foreign Affairs of Ukraine promptly informed all State executive bodies concerned of the action to be taken pursuant to the resolutions.

Most recently, the Ministry of Foreign Affairs of Ukraine prepared a draft order of the Cabinet of Ministers of Ukraine on the proposal for the application of special economic and other restrictive measures in accordance with Security Council resolution 2262 (2016) of 27 January 2016 concerning the Central African Republic. The document includes provisions on the implementation of the relevant Security Council resolutions concerning the Central African Republic in all their aspects. The draft order is currently undergoing the requisite approval procedures, in line with the national legislation of Ukraine.
