**General Assembly
Seventy-third session**
Agenda items 35 and 41**Security Council
Seventy-fourth year****Protracted conflicts in the GUAM area and their
implications for international peace, security
and development****The situation in the occupied territories of Azerbaijan****Letter dated 9 January 2019 from the Permanent Representative
of Azerbaijan to the United Nations addressed to the
Secretary-General**

Upon instructions from my Government, I have the honour to transmit herewith the records of violations of the ceasefire by the Republic of Armenia in December 2018 (see annex).*

During the reporting period, the armed forces of Armenia violated the ceasefire regime 820 times and continued to use large-calibre guns and heavy weaponry from their positions in the occupied territories of the Republic of Azerbaijan and from the territory of the Republic of Armenia.

The continuous occupation of a large part of the territory of the Republic of Azerbaijan by the armed forces of Armenia does not represent a solution and will never produce a political outcome desired by Armenia. The peaceful settlement of the conflict is possible only on the basis of the sovereignty and territorial integrity of Azerbaijan within its internationally recognized borders.

I should be grateful if you would have the present letter and its annex circulated as a document of the General Assembly, under agenda items 35 and 41, and of the Security Council.

(Signed) Yashar Aliyev
Ambassador
Permanent Representative
