Commission on the Status of Women

Sixty-fourth session

9–20 March 2020

Follow-up to the Fourth World Conference on Women and
to the twenty-third special session of the General Assembly
entitled “Women 2000: gender equality, development and
peace for the twenty-first century”

Statement submitted by Arab African American Womens’ Leadership Council Inc., a non-governmental organization in consultative status with the Economic and Social Council*

The Secretary-General has received the following statement, which is being circulated in accordance with paragraphs 36 and 37 of Economic and Social Council resolution 1996/31.

* The present statement is issued without formal editing.

Statement

Gender empowerment is a roadmap harsh and difficult to realize because of the diversities and the environments surrounding globalization.

A common goal for gender empowerment on a global scale is easy to achieve if a role-model dreams big.

The vision of success is a keyword to implant in future leadership and positive leaders.

The Middle East and Northern Africa region is in big need of a special program to save peace and youth.
