For the existing text *substitute*

85. The Panel has requested an update and additional information from Romania about the lease of the embassy property of the Democratic People's Republic of Korea to IMA Partners SRL. During the reporting period, Romania informed the Panel that its authorities had started the process of gathering updated information. Romania previously provided information on the amendment of its internal sanctions instruments in order to impose a fine.

##### 2. Paragraph 101

For the existing text *substitute*

101. A Member State informed the Panel that representatives of the Korea Mining Development Trading Corporation, Ha Won Mo and Kim Hak Chol, were both in the Islamic Republic of Iran as of the beginning of 2020. In its reply of 15 January 2020, the Islamic Republic of Iran stated that there were no nationals of the Democratic People's Republic of Korea registered to be residing in the Islamic Republic of Iran other than diplomats, nor were there offices or representatives of the Korea Mining Development Trading Corporation in the country (see [S/2020/151](#), paras. 106 and 107). The Panel has also been informed that while Mr. Kim continues to use passport No. 108210148, Mr. Ha now appears to be using passport No. 108210147 instead of passport No. 836310022 (*ibid.*, annex 24).
