Identical letters dated 5 May 2023 from the Permanent Representative of Israel to the United Nations addressed to the Secretary-General and the President of the Security Council

I am writing to inform you of Lebanese violations of Security Council resolution [1701 \(2006\)](#), breaches of Israeli sovereignty and repeated crossings of the Blue Line in the months of January to March 2023. A comprehensive list of these violations is included in the annex* to the present letter.

As outlined in the present letter, as well as in previous letters I have sent, Lebanese violations of resolution [1701 \(2006\)](#) occur daily. Despite their visibility and frequency, however, the vast majority of these violations continue to be excluded from the Secretariat's reports.

I trust that future reports on the implementation of resolution [1701 \(2006\)](#) will reflect these ongoing violations and demand that the Lebanese Government abide by its commitment to resolution [1701 \(2006\)](#).

I should be grateful if you would have the present letter and its annex distributed as a document of the Security Council.

(Signed) Gilad **Erdan**
Ambassador of Israel to the United Nations
