52. An electronic reservation system for the reservation of bilateral meetings will be activated through gMeets (https://conferences.unite.un.org/gMeets) on 13 May 2024 in order to provide for the equitable and efficient use of the facilities. Delegations are requested to submit reservations electronically through gMeets by accessing https://conferences.unite.un.org/gMeets, logging in with their username and password and clicking on the “Bilateral” tab. If an account is required, please contact gmeets-helpdesk@un.org, with copy to gmeets@un.org, tongx@un.org and dienes@un.org. To prevent double booking, only the delegation initiating the bilateral meeting should submit the request. Reservations will be accepted for 20-minute durations starting on the hour and half-hour. The date and time of the bilateral meeting and the name of the other delegation participating in the meeting should be specified in the request.

53. Information about room assignments will be provided one day prior to the meeting. Delegates are encouraged to submit their requests as early as possible. Late requests will be accommodated subject to availability of space. When on site, delegations can also contact the meeting management staff located in front of the bilateral meeting rooms.
VIII. Interpretation

54. The six official languages of the Conference are Arabic, Chinese, English, French, Russian and Spanish. Statements made at the plenary meetings and in the interactive dialogues will be interpreted in the official languages.

55. Statements made in any of the six official languages of the Conference will be interpreted into the other official languages. Speakers are requested to deliver their statements at a speed that is interpretable. While delegations are given a time limit within which to deliver their statements, they are kindly requested to do so at a normal speed, to enable the interpreters to provide an accurate and complete rendition of their statements. When statements are delivered at a fast pace, the quality of the interpretation may suffer. It is suggested not to exceed the speed of about 100 to 120 words per minute (as a guide for statements delivered in English) in order to ensure that the statement is delivered at a normal pace.

56. Any speaker may make a statement in a language other than one of the official languages of the Conference. In such cases, the delegation in question must provide an interpreter from the non-official language into an official language. Delegations seeking to provide their own interpreters for non-official languages are requested to inform the meetings management staff and the Chief Interpreter well in advance by email at gmeets@un.org, with copy to is-unhq@un.org, dienes@un.org and kochetkov@un.org.

57. In order to facilitate the provision of interpretation and other services, delegations are requested to submit their statements (in PDF format) by email to estatements-SIDS4@un.org. The name of the meeting and of the speaker, as well as the agenda item, should be indicated in the subject line of the email and in the heading of the statement. The statement should be submitted well in advance of the meeting, but no later than two hours before delivery, and not in hard copy. The statements will remain embargoed until their delivery.

58. The overflow rooms will provide an English channel only.

IX. Documentation

59. The official documentation of the Conference will be issued in Arabic, Chinese, English, French, Russian and Spanish.

Distribution of official documents

60. All meeting documents will be available on the Conference website (https://sdgs.un.org/smallislands/documentation). The official documents, which will be produced in all six official languages, will also be available in the Journal of the United Nations, under Conferences and Summits.
