strengthening of the United Nations system**

## **Resolution adopted by the General Assembly on 18 July 2025**

[without reference to a Main Committee ([A/79/L.99](#))]

### **79/318. UN80 Initiative**

*The General Assembly,*

*Recalling* the purposes and principles of the Charter of the United Nations,

*Underlining* the important role and comparative advantage of an adequately resourced, relevant, coherent, efficient and effective United Nations system in promoting international cooperation,

*Recalling* the role of the Secretary-General as the chief administrative officer of the Organization, in accordance with Article 97 of the Charter,

*Recognizing* the central role of Member States in the reform process, which should be inclusive and transparent,

1. *Welcomes* the efforts of the Secretary-General to strengthen the United Nations in order to keep pace with a changing world and to make it fit for the present and future challenges;

2. *Looks forward* to receiving, in accordance with established procedures, the relevant proposals of the Secretary-General in the framework of his UN80 initiative, taking into account the necessity to have clearly defined objectives and an evidence-based approach, and aiming at strengthening the impact of the United Nations and enhancing its agility, responsiveness and resilience while addressing the issue of duplicative efforts and ensuring effective and efficient mandate delivery across all three pillars of the work of the United Nations;

3. *Calls upon* the entities and specialized agencies of the United Nations system to align their reform efforts with this approach, as appropriate.

*85th plenary meeting  
18 July 2025*
