PETITION FROM THE SECRETARY-GENERAL OF THE "RASSEMBLEMENT POPULAIRE
DES REFUGIES DU TOGO FRANCAIS" CONCERNING TOGOLAND UNDER BRITISH
ADMINISTRATION AND TOGOLAND UNDER FRENCH ADMINISTRATION (T/PET.6&7/4)

Observations of the United Kingdom Government
as Administering Authority

No restrictions are in practice imposed on the immigration of indigenous inhabitants of Togoland under French Trusteeship into Togoland under United Kingdom Trusteeship and, as observed by the 1952 Visiting Mission in paragraph 440 of its special report on the Ewe and Togoland unification problem, there is complete freedom of movement of persons across the frontier. There is no special system of registration and the number of natives of French Togoland resident in the Territory is unknown.
