Annex

DECLARATION DATED 6 APRIL 1995 BY FRANCE, THE RUSSIAN FEDERATION,
THE UNITED KINGDOM OF GREAT BRITAIN AND NORTHERN IRELAND AND THE
UNITED STATES OF AMERICA IN CONNECTION WITH THE TREATY ON THE
NON-PROLIFERATION OF NUCLEAR WEAPONS

We wish to express our continuing strong support for the Treaty on the Non-Proliferation of Nuclear Weapons, our desire that the forthcoming Review and Extension Conference in New York should decide on its indefinite and unconditional continuation in force and our determination to continue to implement fully all the provisions of the Treaty, including those in article VI.

We welcome the fact that the nuclear arms race has ceased and that, in keeping with the fundamental changes that have taken place with respect to international security, important steps have been taken towards nuclear disarmament, as a result of the agreements on deep reductions in the nuclear armaments of the Russian Federation and the United States of America, as well as the significant reductions made by France and the United Kingdom of Great Britain and Northern Ireland in their nuclear weapon programmes.

We welcome the important progress made at the Conference on Disarmament in the multilateral negotiations on a comprehensive nuclear test-ban treaty to which we are all contributing actively.

We also welcome the establishment by the Conference on Disarmament of an Ad Hoc Committee with a mandate to negotiate a non-discriminatory, multilateral and internationally and effectively verifiable treaty banning the production of fissile material for nuclear weapons or other nuclear explosive devices. We urge that the negotiations begin forthwith.

We underline the importance of the harmonized security assurances which we have given to non-nuclear-weapon States parties to the Treaty against the use of nuclear weapons, as well as the commitments as regards the provision of appropriate assistance to a non-nuclear-weapon State party to the Treaty victim of aggression or threat of aggression with nuclear weapons. We believe that these strengthen international peace and security.

We solemnly reaffirm our commitment, as stated in article VI, to pursue negotiations in good faith on effective measures relating to nuclear disarmament, which remains our ultimate goal.

We reaffirm our determination to continue to negotiate intensively, as a high priority, a universal and multilaterally and effectively verifiable comprehensive nuclear test-ban treaty, and we pledge our support for its conclusion without delay.

We call upon all States parties to the Treaty to make the treaty permanent. This will be crucial for the full realization of the goals set out in article VI.

We call upon all States that are not parties to the Treaty to accede to it soon, thereby contributing to the enhancement of both regional and global security.

A truly universal and fully implemented Treaty is in the interests of all.
