Eighteenth session

LETTER DATED 28 OCTOBER 1963 FROM THE PERMANENT REPRESENTATIVE  
OF HUNGARY TO THE UNITED NATIONS ADDRESSED TO THE PRESIDENT OF  
THE GENERAL ASSEMBLY

I have the honour to inform you that the Presidential Council of the Hungarian People's Republic ratified on 17 October 1963 the Treaty Banning Nuclear Weapon Test in the Atmosphere, in Outer Space and Under Water, done in Moscow on 5 August 1963. The Treaty was signed on behalf of the Hungarian People's Republic simultaneously in the capitals of the three depository Powers - the Union of Soviet Socialist Republics, the United States of America and the United Kingdom of Great Britain and Northern Ireland - on 8 August 1963.

Having deposited the instruments of ratification the Hungarian People's Republic became a party to the Treaty in accordance with the provision of article III., paragraph 4, of the Moscow Treaty on 23 October 1963.

I should be grateful if you could have this letter circulated as an official document of the United Nations General Assembly.

(Signed) Károly CSATORDAY  
Permanent Representative of the  
Hungarian People's Republic to  
the United Nations
