Distr.: General
28 January 2010

Original: English

Commission on Narcotic Drugs

Fifty-third session

Vienna, 8-12 March 2010

Item 5 of the provisional agenda*

Improving the collection, reporting and analysis of data to monitor the implementation of the Political Declaration and Plan of Action on International Cooperation towards an Integrated and Balanced Strategy to Counter the World Drug Problem

Revised set of data collection mechanisms for the collection, collation, analysis and reporting of data, prepared by the expert group on data collection

Note by the Secretariat

Addendum

Revised draft annual report questionnaire: part II. Comprehensive approach to drug demand reduction**

* E/CN.7/2010/1.

** The present document was submitted after the date required by the 10-week rule as the meeting of the expert group on data collection was held from 12 to 15 January 2010.

Annex

Revised draft annual report questionnaire

Part II. Comprehensive approach to drug demand reduction

1. Does your country have a written national drug strategy adopted by the Government that includes a demand reduction component?

- Yes
- No

If the answer is yes:

(a) Indicate the year in which the strategy was established or in which it was last reviewed: _____;

(b) Are the areas listed below covered in the strategy?

Primary prevention	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Early intervention	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Drug treatment services	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Rehabilitation	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Reintegration	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Services to prevent the health and social consequences of drug use	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Drug use monitoring	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Research	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No

(c) Are the sectors listed below involved in the implementation of the national demand reduction strategy? Rank them in order of importance (with 1 being the most important);

	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No	<i>Rank</i>
Public health sector	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No	_____
Public social sector	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No	_____
Public educational sector	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No	_____
Non-governmental organizations	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No	_____
Private health sector	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No	_____
Private social sector	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No	_____
Private educational sector	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No	_____
Public employers	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No	_____
Private employers	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No	_____
Representatives of employees	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No	_____
Other (please specify)					
_____	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No	_____
_____	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No	_____

(d) Does your country have a central coordinating entity for implementing the drug demand reduction component of the national drug strategy;

Yes

No

(e) If the answer to subparagraph (d) is yes, indicate whether the sectors listed below are represented in the coordinating body (yes or no);

Health	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Social affairs	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Education	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Law enforcement	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Justice	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Private sector	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Non-governmental organizations	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Labour and employment	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Other (please specify)				
_____	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
_____	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No

2. How would you describe changes in the size of the budget for treatment programmes in the past year compared with the previous year?

Large increase

Some increase

Stable

Some decrease

Large decrease

3. How would you describe changes in the size of the budget for prevention programmes in the past year compared with the previous year?

Large increase

Some increase

Stable

Some decrease

Large decrease

Prevention and early intervention

4. Please indicate in the table below which prevention activities were implemented in the past year and the age of the target group.

<i>Activity</i>	<i>Target group</i>							
	<i>Children in primary school (6-10)</i>	<i>Early adolescents (11-15)</i>	<i>Late teens (16-20)</i>	<i>Young adults (21-25)</i>	<i>Adults (25-65)</i>	<i>Seniors (over 65)</i>	<i>General population</i>	<i>Other (specify)</i>
Dissemination of information about the danger of illicit drugs								
Education about drugs based on life skills								
Parenting skills training (please identify the target group on the basis of the age of the children whose parents are trained)								
Workplace prevention programmes								
Alternative activities (sports, drama, music etc.)								
Vocational training and income-generating support								
Media campaigns								
Screening								
Counselling and brief interventions (e.g. motivational interviewing)								

5. Please assess the coverage of the prevention activities listed below that were implemented in your country in the past year and which groups were targeted.

<i>Activity</i>	<i>Cities covered</i>		<i>Groups targeted</i>
Dissemination of information about the danger of illicit drugs	<input type="checkbox"/>	None	
	<input type="checkbox"/>	Some	
	<input type="checkbox"/>	Most	
	<input type="checkbox"/>	All	
Education about drugs based on life skills	<input type="checkbox"/>	None	
	<input type="checkbox"/>	Some	
	<input type="checkbox"/>	Most	
	<input type="checkbox"/>	All	
Parenting skills training (please identify the target group on the basis of the age of the children whose parents are trained)	<input type="checkbox"/>	None	
	<input type="checkbox"/>	Some	
	<input type="checkbox"/>	Most	
	<input type="checkbox"/>	All	
Workplace prevention programmes	<input type="checkbox"/>	None	
	<input type="checkbox"/>	Some	
	<input type="checkbox"/>	Most	
	<input type="checkbox"/>	All	
Alternative activities (sports, drama, music etc.)	<input type="checkbox"/>	None	
	<input type="checkbox"/>	Some	
	<input type="checkbox"/>	Most	
	<input type="checkbox"/>	All	
Vocational training and income-generating support	<input type="checkbox"/>	None	
	<input type="checkbox"/>	Some	
	<input type="checkbox"/>	Most	
	<input type="checkbox"/>	All	
Media campaigns	<input type="checkbox"/>	None	
	<input type="checkbox"/>	Some	
	<input type="checkbox"/>	Most	
	<input type="checkbox"/>	All	
Screening	<input type="checkbox"/>	None	
	<input type="checkbox"/>	Some	
	<input type="checkbox"/>	Most	
	<input type="checkbox"/>	All	
Counselling and brief interventions (e.g. motivational interviewing)	<input type="checkbox"/>	None	
	<input type="checkbox"/>	Some	
	<input type="checkbox"/>	Most	
	<input type="checkbox"/>	All	

6. Please indicate in the table below whether an evaluation of the prevention activities that were implemented in the past year has been planned or undertaken. If the answer is yes, please indicate whether a process evaluation or an impact/outcome evaluation has been planned or undertaken.

	<i>Was an evaluation carried out?</i>	<i>If yes, was it a process evaluation or an impact/outcome evaluation?</i>
Dissemination of information about the danger of illicit drugs	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Process <input type="checkbox"/> Impact/outcome
Education about drugs based on life skills	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Process <input type="checkbox"/> Impact/outcome
Parenting skills training (please identify the target group on the basis of the age of the children whose parents are trained)	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Process <input type="checkbox"/> Impact/outcome
Workplace prevention programmes	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Process <input type="checkbox"/> Impact/outcome
Alternative activities (sports, drama, music etc.)	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Process <input type="checkbox"/> Impact/outcome
Vocational training and income-generating support	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Process <input type="checkbox"/> Impact/outcome
Media campaigns	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Process <input type="checkbox"/> Impact/outcome
Screening	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Process <input type="checkbox"/> Impact/outcome
Counselling and brief interventions (e.g. motivational interviewing)	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Process <input type="checkbox"/> Impact/outcome

7. Does your country have a national policy about including drug prevention programmes in the school curriculum?

- Yes
 No

8. Does your country have a written national policy adopted by the Government about health promotion programmes in the workplace that include drug and alcohol prevention (not only drug screening and testing)?

- Yes
 No

If the answer is yes, please provide a copy of the text.

Treatment

9. Please indicate in the table below the coverage of the treatment-related services offered in the past year in the country, including in prison settings, either as a percentage or as a general estimate (indicate whether the coverage is “low”, “medium” or “high”).

Type of service	Is the service provided?	Coverage of the service/intervention					Coverage of the service/intervention in prison settings				
		Percentage	Not available	Low	Medium	High	Percentage	Not available	Low	Medium	High
Residential											
Outpatient											
Opioid maintenance therapy											
Cognitive behavioural therapy											
Contingency management											
Peer support groups											
Counselling											
Detoxification											
Treatment planning											
Social assistance											
Rehabilitation/aftercare											
Vocational training/income-generation support											
Educational activities on the risk posed by drug use (e.g. overdosing, contracting infectious diseases, developing cardiovascular, metabolic and psychiatric disorders etc.)											
Other (please specify)											

Quality standards and training of staff

10. Please provide information on the availability of training.

<i>Professional category</i>	<i>Is training on drug dependence treatment available to professionals as part of their qualification curriculum?</i>	<i>Is in-service training on drug dependence treatment available to professionals?</i>	<i>If the answer to the previous questions is yes, what proportion of staff have access to such training?</i>
General practitioners	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> None <input type="checkbox"/> Some <input type="checkbox"/> Most <input type="checkbox"/> All
Nurses	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> None <input type="checkbox"/> Some <input type="checkbox"/> Most <input type="checkbox"/> All
Counsellors	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> None <input type="checkbox"/> Some <input type="checkbox"/> Most <input type="checkbox"/> All
Medical doctors who provide drug dependence treatment	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> None <input type="checkbox"/> Some <input type="checkbox"/> Most <input type="checkbox"/> All
Social workers	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> None <input type="checkbox"/> Some <input type="checkbox"/> Most <input type="checkbox"/> All
Psychiatrists	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> None <input type="checkbox"/> Some <input type="checkbox"/> Most <input type="checkbox"/> All
Psychologists	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> None <input type="checkbox"/> Some <input type="checkbox"/> Most <input type="checkbox"/> All
Law enforcement officers	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> None <input type="checkbox"/> Some <input type="checkbox"/> Most <input type="checkbox"/> All
Other (please specify)	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> None <input type="checkbox"/> Some <input type="checkbox"/> Most <input type="checkbox"/> All
_____	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> None <input type="checkbox"/> Some <input type="checkbox"/> Most <input type="checkbox"/> All
_____	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> Yes <input type="checkbox"/> No	<input type="checkbox"/> None <input type="checkbox"/> Some <input type="checkbox"/> Most <input type="checkbox"/> All

11. Are treatment services included in the public health insurance system?

- Yes, for the whole population
 Yes, for some groups
 No

12. Are treatment services included in the private health insurance system?

- Yes, for the whole population
 Yes, for some groups
 No

13. Do centres providing treatment services report the following information?

Number of persons utilizing the services	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Length of the waiting list and waiting time	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Drop-out and retention rates	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Feedback from clients	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Drug use abstinence	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Rates of relapse	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Health status	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Psychological status	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Involvement in criminal activities	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Behaviour that puts people at a high risk of transmitting HIV	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Social integration	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Other (please specify)	<input type="checkbox"/> Yes	<input type="checkbox"/> No
_____	<input type="checkbox"/> Yes	<input type="checkbox"/> No
_____	<input type="checkbox"/> Yes	<input type="checkbox"/> No

Advocacy

14. Did your country carry out drug dependence treatment education and advocacy activities for the following professional categories during the past year:

- (a) Policymakers;
 Yes
 No

(b) Service planners;

Yes

No

(c) General service providers;

Yes

No

(d) Specialized service providers.

Yes

No

15. Please rank, in order of importance, at least three main constraints that your country faced last year in providing treatment (where 1 indicates the most important and 7 the least important).

<i>Area where constraints were experienced</i>	<i>Ranking</i>
Legal framework (e.g. limits to providing pharmacological therapy)	<input type="checkbox"/>
Coordination	<input type="checkbox"/>
Finance	<input type="checkbox"/>
Availability of personnel	<input type="checkbox"/>
Technical capacity	<input type="checkbox"/>
Infrastructures and supplies (building, equipment, medicines etc.)	<input type="checkbox"/>
Linkages with support services	<input type="checkbox"/>
Other (please specify)	<input type="checkbox"/>
_____	<input type="checkbox"/>
_____	<input type="checkbox"/>
No difficulty	<input type="checkbox"/>

Prevention of diseases, including infectious diseases

16. Please indicate in the table below the coverage of the services listed below that were offered during the past year, including in prison settings, either as a percentage or as an estimate.

<i>Services</i>	<i>Coverage of the service in the country</i>		<i>Coverage of the service in prisons in the country</i>	
	Proportion of cities covered		Proportion of cities covered	
Needle and syringe programmes	<input type="checkbox"/>	None	<input type="checkbox"/>	None
	<input type="checkbox"/>	Some	<input type="checkbox"/>	Some
	<input type="checkbox"/>	Most	<input type="checkbox"/>	Most
	<input type="checkbox"/>	All	<input type="checkbox"/>	All
HIV testing and counselling for drug users	<input type="checkbox"/>	None	<input type="checkbox"/>	None
	<input type="checkbox"/>	Some	<input type="checkbox"/>	Some
	<input type="checkbox"/>	Most	<input type="checkbox"/>	Most

Drug supply reduction

Domestic level

17. Do the following strategies describe the current measures used by your country to reduce drug supply?

- | | | |
|---|------------------------------|-----------------------------|
| A specific written strategy to reduce drug supply approved by the Government | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| An integrated written strategy to reduce the supply of and demand for drugs, approved by the Government and with a specific component to reduce drug supply | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| A written strategy against organized crime approved by the Government and with a specific component to reduce drug supply | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| A written strategy that actively takes various measures to reduce drug supply even though it has no specific component for addressing drug supply | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Other (please specify) | | |
| _____ | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| _____ | <input type="checkbox"/> Yes | <input type="checkbox"/> No |

18. Has your country taken drug supply reduction measures in the following areas during the reporting year?

- | | | |
|--|------------------------------|-----------------------------|
| Illicit crop monitoring | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Programmes for monitoring the manufacture of amphetamine-type stimulants | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Illicit crop eradication programmes | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Formalized inter-agency cooperation | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Control/monitoring of precursor chemicals | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Interdiction of traffickers | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Interdiction of dealers | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Forensic intelligence | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Drug courts | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Extradition | <input type="checkbox"/> Yes | <input type="checkbox"/> No |

- | | | | | |
|-----------------------------|--------------------------|-----|--------------------------|----|
| Money-laundering | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| Links with demand reduction | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| Research | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| Military | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| Other (please specify) | | | | |
| _____ | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| _____ | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |

19. Are the following types of law enforcement agencies mandated to reduce drug supply? (Wherever possible, please specify the names of the agencies.)

- | | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No | <i>Name of agency</i> |
|---|--------------------------|-----|--------------------------|----|-----------------------|
| National police | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No | _____ |
| Customs | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No | _____ |
| Non-federal police | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No | _____ |
| National gendarmerie | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No | _____ |
| Other military entities with law enforcement functions | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No | _____ |
| Specialized national agency dedicated to drug law enforcement | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No | _____ |
| Other (please specify) | | | | | |
| _____ | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No | _____ |
| _____ | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No | _____ |

20. Is there an entity that coordinates the activities of agencies mandated to reduce drug supply?

- Yes
- No

If the answer is yes, please provide the name of the entity:

_____.

21. Have the following measures/institutions been adopted by your country to address the threat posed by corruption within domestic law enforcement agencies with a mandate to reduce the supply of drugs?

- | | | | | |
|---|--------------------------|-----|--------------------------|----|
| Internal oversight body | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| External oversight body, including an anti-corruption body (art. 6 and 36 of the United Nations Convention against Corruption) | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| Code of conduct (art. 8 of the Convention against Corruption) | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| Obligation for staff of the above agencies to declare any assets (art. 8, para. 5 of the Convention against Corruption) | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| Professional ethics training for staff of the above agencies (art. 7, para. 1 (b) of the Convention against Corruption) | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| Obligation for staff of the above agencies to report suspected incidents of corruption (art. 7, para. 4 of the Convention against Corruption) | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| Other (please specify) | | | | |
| _____ | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| _____ | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |

22. During the past year, have law enforcement agencies in your country used special investigative techniques to gather evidence?

- Yes
 No

If the answer is yes, were the following techniques used?

- | | | | | |
|-------------------------|--------------------------|-----|--------------------------|----|
| Electronic surveillance | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| Use of informants | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| Undercover techniques | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| Controlled delivery | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| Other (please specify) | | | | |
| _____ | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| _____ | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |

23. Does your country have a system in place to monitor the sale of pharmaceuticals over the Internet?

- Yes
- No

If the answer is yes, please describe the kinds of sales being monitored (e.g. sales by operators based in your own country, all transactions in which a product is being sold to buyers in your country):

Cross-border and international cooperation

24. Did your country adopt the following measures during the past year to support cross-border cooperation between law enforcement agencies in different countries? (If the answer is yes, please provide the names of the countries involved.)

Bilateral agreements	<input type="checkbox"/> Yes	<input type="checkbox"/> No	Country 1: _____ Country 2: _____ Country 3: _____
Memorandums of understanding	<input type="checkbox"/> Yes	<input type="checkbox"/> No	Country 1: _____ Country 2: _____ Country 3: _____
Joint operations	<input type="checkbox"/> Yes	<input type="checkbox"/> No	Country 1: _____ Country 2: _____ Country 3: _____

If joint operations were undertaken, please describe which kinds (e.g. controlled delivery, undercover operations):

Exchange of liaison officers	<input type="checkbox"/> Yes	<input type="checkbox"/> No	Country 1: _____ Country 2: _____ Country 3: _____
Exchange of information	<input type="checkbox"/> Yes	<input type="checkbox"/> No	Country 1: _____ Country 2: _____ Country 3: _____

If information was exchanged, please describe which kinds (e.g. nominal data, fingerprints, DNA information.):

Extradition Yes No Country 1: _____
Country 2: _____
Country 3: _____

Other (please specify) _____ Yes No Country 1: _____
Country 2: _____
Country 3: _____

_____ Yes No Country 1: _____
Country 2: _____
Country 3: _____

Please provide details about the outcome of these measures.

25. During the past year, have the judicial or law enforcement agencies of your country encountered problems in cooperating with counterparts in other countries?

If the answer is yes, please provide the names of the countries involved (optional)

Inability to identify counterparts to be contacted Yes No _____
Country 1: _____
Country 2: _____
Country 3: _____

Slow formal procedures Yes No _____
Country 1: _____
Country 2: _____
Country 3: _____

Inability to quickly establish communication with counterparts Yes No _____
Country 1: _____
Country 2: _____
Country 3: _____

Lack of a common language for communication Yes No _____
Country 1: _____
Country 2: _____
Country 3: _____

Lack of agreements enabling operational cooperation	<input type="checkbox"/> Yes <input type="checkbox"/> No	Country 1: _____ Country 2: _____ Country 3: _____
Lack of cooperation from counterparts	<input type="checkbox"/> Yes <input type="checkbox"/> No	Country 1: _____ Country 2: _____ Country 3: _____
Lack of exchange of information	<input type="checkbox"/> Yes <input type="checkbox"/> No	Country 1: _____ Country 2: _____ Country 3: _____
Lack of agreements enabling mutual legal assistance	<input type="checkbox"/> Yes <input type="checkbox"/> No	Country 1: _____ Country 2: _____ Country 3: _____

26. Did existing mechanisms for the exchange of information with other countries adequately meet the operational requirements of the law enforcement agencies in your country during the past year?

- Yes
- No
- There was no exchange of information

If the answer is no, please provide the names of the countries with which communication proved problematic:

27. Did law enforcement agencies regularly use the communication platforms provided through the following entities or channels during the past year to exchange information with counterparts in other countries?

INTERPOL	<input type="checkbox"/> Yes	<input type="checkbox"/> No
World Customs Organization	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Regional organizations	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Liaison officers	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Diplomatic channels	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Meetings	<input type="checkbox"/> Yes	<input type="checkbox"/> No

Direct communication between law enforcement agencies Yes No

Other (please specify)

_____ Yes No
 _____ Yes No

28. Did your country take the following steps during the past year to meet the challenges arising from new technologies (e.g. computers, mobile phones, Internet) in combating traffic in narcotic drugs and psychotropic substances?

Raising awareness among law enforcement agencies Yes No

Specific training on the recovery of evidence Yes No

Introduction of legislation Yes No

Other (please specify)

_____ Yes No
 _____ Yes No

International technical cooperation

29. Did your country receive technical assistance in the area of drug supply reduction over the reporting period?

Yes

No

If the answer is yes:

(a) Did your country receive the following forms of assistance?

Training Yes No

Equipment Yes No

Software (for example to process information, in border control) Yes No

Financial Yes No

Other (please specify)

_____ Yes No
 _____ Yes No

(b) Did the following entities provide your country with the assistance?

Other countries (If the answer is yes, please provide the names of the countries: _____.) Yes No

United Nations Yes No

Other international organizations (If the answer is yes, please provide the names of the organizations: _____.) Yes No

Other (please specify) _____ Yes No
_____ Yes No

(c) Was the assistance sufficient for the needs of your country?

Yes

No

Please describe the forms of assistance required by your country.

30. Has your country provided technical assistance in the area of drug supply reduction during the past year?

Yes

No

If the answer is yes:

(a) Did your country provide the following forms of assistance?

Training Yes No

Equipment Yes No

Software Yes No

Financial Yes No

Other (please specify) _____ Yes No
_____ Yes No

(b) Were the following entities beneficiaries of assistance provided by your country?

Other countries (If the answer is yes, please provide the names of the countries: _____.) Yes No

United Nations Yes No

Other international organizations (If the answer is yes, please provide the names of the organizations: _____.) Yes No

Other (please specify)

Yes No

Yes No

Military

31. What is the role of the military in drug supply reduction activities?

- It has no role
- Intelligence
- Command and control of activities
- Detection of trafficking activities
- Monitoring movement
- Apprehension
- Incarceration

Forensics

32. Do authorities in your country have access to laboratory services for analysing narcotic drugs and psychotropic substances seized by law enforcement agencies?

- Yes, they have access to laboratory facilities in the country
- Yes, they have access to laboratory facilities in other countries for some samples
- Yes, they have access to laboratory facilities in other countries for all samples
- No

33. Are the following services provided?

Identification of seized drugs Yes No

Quantification of seized drugs (determination of purity) Yes No

- | | | |
|--|------------------------------|-----------------------------|
| Characterization/chemical profiling of seized drugs to determine their origin or for linking samples (“forensic drugs intelligence”) | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Analysis of precursors | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Investigation of clandestine laboratories | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| Other (please specify) | | |
| _____ | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| _____ | <input type="checkbox"/> Yes | <input type="checkbox"/> No |

34. In your country, how is forensic analysis of drug seizures carried out?

- Systematically (for all seizures satisfying a certain criterion)
- On an ad hoc basis

Money-laundering

Criminalization

35. Has money-laundering been criminalized in the country?

- Yes
- No

If the answer is yes, where possible please attach a copy of each legal instrument criminalizing money-laundering in one of the official languages of the United Nations or a Government certified translation into English, French or Spanish, the working languages of the Commission.

36. Has the financing of terrorism been criminalized in the country?

- Yes
- No

If the answer is yes, where possible please attach a copy of each legal instrument criminalizing the financing of terrorism in one of the official languages of the United Nations or a Government certified translation into English, French or Spanish, the working languages of the Commission.

37. Does your country have measures to manage seized assets?

- Yes
- No

38. Does the law provide for the conclusion of asset sharing agreements?

Yes

No

If the answer is yes, where possible please attach a copy of each legal instrument, administrative instruction or other instrument in one of the official languages of the United Nations or a Government certified translation into English, French or Spanish, the working languages of the Commission.

39. Were new legal instruments adopted last year criminalizing the laundering of money derived from drug trafficking, the diversion of precursor chemicals and other serious crimes of a transnational nature?

Yes

No

If the answer is yes, where possible please attach a copy of each legal instrument criminalizing such money-laundering in one of the official languages of the United Nations or a Government certified translation into English, French or Spanish, the working languages of the Commission.

40. Were measures against money-laundering implemented last year in the context of emerging crimes such as those related to the misuse of new technologies, cyberspace and electronic money transfer systems?

Yes

No

If the answer is yes, where possible please attach the relevant provisions.

41. Were new legal measures on the identification, freezing, seizure and confiscation of the proceeds of crime adopted?

Yes

No

If the answer is yes, where possible please attach a copy of each legal instrument on the identification, freezing, seizure and confiscation of the proceeds of crime in one of the official languages of the United Nations or a Government certified translation into English, French or Spanish, the working languages of the Commission.

Financial and regulatory regimes for banks and non-bank financial institutions

42. Have measures been adopted by banks and other financial institutions in your country on the following:

(a) Customer identification and verification requirements, namely the application of the “know-your-customer” principle;

- Yes
- No

(b) Identification of beneficial ownership information for legal persons;

- Yes
- No

(c) Requirement of financial record keeping;

- Yes
- No

(d) Mandatory reporting of suspicious transactions;

- Yes
- No

(e) Mechanisms to detect and monitor the cross-border transport of cash and other negotiable bearer instruments into your country;

- Yes
- No

(f) Mechanisms to detect and monitor the cross-border transport of cash and other negotiable bearer instruments out of your country;

- Yes
- No

(g) Mechanisms to detect the flow of drug money (in cash or other negotiable bearer instruments) into the financial system (including banks);

- Yes
- No

(h) Enhanced due diligence measures when dealing with domestic and international politically exposed persons.

- Yes
- No

Domestic and international cooperation

43. During the past year, did your country implement measures regarding the following:

(a) Tracing of assets;

Yes

No

(b) Seizing of assets;

Yes

No

(c) Freezing of assets;

Yes

No

(d) Confiscation of assets.

Yes

No

44. Is money-laundering an extraditable offence in your country?

Yes

No

45. Were new legal instruments adopted during the past year providing for the conclusion of asset sharing agreements?

Yes

No

If the answer is yes, where possible please attach a copy of each legal instrument in one of the official languages of the United Nations or a Government certified translation into English, French or Spanish, the working languages of the Commission.

Control of precursor chemicals

46. Has your country compiled a list of national companies authorized to manufacture, distribute and trade in precursors?

Yes

No

47. Has your country undertaken any new measures in collaboration with relevant industries on the supply of and trafficking in precursor and other chemicals not yet under international control?

- Yes
- No

If the answer is yes, please summarize the new measures. If codes of conduct have been developed, please attach a copy of those documents.

48. Has your country taken any steps to address the use of substances not under international control and substitute chemicals for the manufacture of precursors used in the manufacture of heroin and cocaine?

- Yes
- No

If the answer is yes, please summarize the steps taken.

49. Does your country's framework for the control of precursor chemicals include a system of prior import and export notification?

- Yes
- No

50. Does your country utilize Pre-Export Notification Online (PEN Online), the system hosted by the International Narcotics Control Board?

- Yes
- No

If the answer is no, please provide reasons.

51. Does the existing international cooperation on control of precursor chemicals adequately meet requirements in this regard?

- Yes
 No

If the answer is no, please provide details.

52. Does your country have systems in place to allow for the post-seizure investigation of precursor chemicals?

- Yes
 No

If the answer is yes:

(a) Do those systems make it possible to track the origin of the seized precursor chemicals?

- Yes
 No

(b) Do those systems make it possible to carry out controlled deliveries of precursor chemicals?

- Yes
 No

Alternative development as a strategy to control the cultivation of illicit crops

53. Does your country have a national alternative development strategy to address the illicit cultivation of coca bush, opium poppy or cannabis plant?

- Yes, as a stand-alone plan
 Yes, as part of the national economic development plan
 No

54. Does your country have a strategy or plan to assist other Member States with alternative development?

- Yes
 No

55. If your country has an alternative development strategy, which illicit crops does it target?

- Coca bush
 Opium poppy
 Cannabis plant

56. If your country has an alternative development strategy, please indicate the year in which it was established or in which it was last reviewed: _____.

57. Has your country implemented preventive alternative development programmes during the past year?¹

- Yes
 No

If the answer is yes, please provide details:

58. Does your country have a central coordinating entity for implementing the national alternative development strategy?

- Yes
 No

59. Are the Government entities listed below represented in the coordinating body?

Ministry of agriculture, fisheries etc.	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Ministry of social affairs, welfare etc.	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Ministry of education	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Ministry of the interior or similar Government ministry	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Ministry of justice	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Ministry of economics, finance etc.	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Ministry of transport, roads etc.	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Ministry of labour, employment etc.	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Office of the president or prime minister	<input type="checkbox"/> Yes	<input type="checkbox"/> No

¹ In accordance with Economic and Social Council resolutions 2006/33 and 2008/26, as well as the Action Plan on International Cooperation on the Eradication of Illicit Drug Crops and on Alternative Development (General Assembly resolution S-20/4 E).

Ministry of the family or women's affairs	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Ministry of international trade	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Drug control agency	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Agency responsible for law enforcement	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
Other (please specify)				
_____	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No
_____	<input type="checkbox"/>	Yes	<input type="checkbox"/>	No

60. What was the percentage of the national budget allocated last year to the implementation of the alternative development strategy at the national/federal level and the state/provincial level?

As a percentage of national development expenditures _____

Total state/provincial budget (in national currency) _____

As a percentage of state/provincial development expenditures _____

61. How much of last year's budget was allocated to supporting international alternative development programmes?

62. How would you describe the change in budgetary allocation for alternative development programmes during the past year compared to the previous year?

- Large increase
- Some increase
- Stable
- Some decrease
- Large decrease
- No budget allocated

63. Please provide the following information:

- (a) Number of households that live in areas under coca bush, opium poppy or cannabis plant cultivation: _____;
- (b) Number of households for which the cultivation of coca bush, opium poppy or cannabis plant is a major source of income: _____;
- (c) Number of households benefiting from alternative development programmes: _____;

(d) Number of households benefiting from alternative development programmes that are involved in agricultural activities: _____;

(e) Number of households benefiting from alternative development programmes that are involved in non-agricultural activities: _____.

64. List the licit crops that the Government promoted during the past year through alternative development programmes and indicate whether the harvests are to be sold (on the domestic or foreign market) or used to address food security issues (check the appropriate column).

<i>Licit crop</i>	<i>For sale (on the domestic or foreign market)</i>	<i>To address food security issues</i>

65. What is the current situation in your country with regard to access to market for products from alternative development programmes?

66. What role, if any, does the private sector play in promoting and finding market access for products from alternative development programmes?

67. If your country has alternative development programmes, are measures taken to appropriately include the relevant stakeholders in the identification, preparation, implementation, monitoring and evaluation of alternative development programmes?

- Yes
- No

If the answer is yes, please provide details:

68. To what extent have alternative development programmes, in particular those implemented under international cooperation frameworks, been effective in reducing the illicit cultivation of crops during the past year in your country?

69. When planning and implementing alternative development activities, are specific gender-related actions or measures included?

- Yes
 No

If the answer is yes, please provide details:

70. Were environmental conservation components included in the alternative development programmes implemented during the past year?

- Yes
 No

If the answer is yes, please provide details:

71. Did the alternative development interventions carried out during the past year include measures to do the following: Was prevention of (a) illegal logging and (b) the promotion of wildlife conservation included in the last year alternative development interventions?

(a) Prevent illegal logging;

- Yes
 No

(b) Promote wildlife conservation.

- Yes
 No

If the answer to either part of the question is yes, please provide details:

72. Does your Government assess the impact of alternative development programmes using human development indicators and/or indicators that take into consideration the Millennium Development Goals?

- Yes, assessments of alternative development programmes use both kinds of indicators
- Yes, assessments of alternative development programmes use human development indicators
- Yes, assessments of alternative development programmes use indicators that take into consideration the Millennium Development Goals
- No, assessments of alternative development programmes do not use either kind of indicator
- No, assessments of alternative development programmes only use illicit crop estimates

73. Did the alternative development interventions implemented during the past year raise awareness at the community level about wildlife conservation, in particular about the following:

(a) Illegal logging;

- Yes
- No

(b) Illegal trade in and poaching of wildlife.

- Yes
- No
