## International Law Commission

### Seventy-fifth session

Geneva, 29 April–31 May and 1 July–2 August 2024

## Prevention and repression of piracy and armed robbery at sea

### Title and text of draft article 4 provisionally adopted by the Drafting Committee

#### Article 4

##### General obligations

States undertake to prevent and to repress piracy and armed robbery at sea, in conformity with international law, through:

- (a) taking effective legislative, administrative, judicial or other appropriate measures; and
  - (b) cooperating to the fullest possible extent with other States and competent international organizations at the international, regional and subregional levels.
-
