Expressing grave concern at the especially dire situation of the Palestine refugees in the Gaza Strip and the West Bank, including East Jerusalem, including with regard to their safety, well-being and socioeconomic living conditions,

Condemning the killing, injury and detention contrary to international law of Agency staff, the attacks affecting its facilities in the Gaza Strip and its compound in occupied East Jerusalem, and incitement against the Agency, and demanding the cessation of all such actions,

Deploring the endangerment of the safety of the Agency’s staff and the unprecedented high number of casualties inflicted on Agency personnel in the Gaza Strip by military attacks, any breaches of the inviolability of United Nations premises, and the damage and destruction caused to the facilities and properties of the Agency, including schools sheltering displaced civilians, stressing the need to maintain the neutrality and safeguard the inviolability of United Nations premises, installations and equipment and the immunity of its personnel, and stressing the imperative of ensuring accountability,
