Notes on the provisional agenda

At the present session, the Working Group on International Contract Practices continues its work on the preparation of a uniform law on assignment in receivables financing, pursuant to a decision taken by the Commission at its twenty-eighth session (Vienna, 2-26 May 1995). ^{1/} This is the sixth session devoted to the preparation of this uniform law, tentatively entitled the draft Convention on Assignment in Receivables Financing.

^{1/} Official Records of the General Assembly, Fiftieth Session, Supplement No. 17 (A/50/17), paras. 374-381.

The Commission's decision to undertake work on assignment in receivables financing was taken in response to suggestions made to it in particular at the UNCITRAL Congress, "Uniform Commercial Law in the 21st Century" (held in New York in conjunction with the twenty-fifth session, 17-21 May 1992). A related suggestion made at the Congress was for the Commission to resume its work on security interests in general, which the Commission at its thirteenth session (1980) had decided to defer for a later stage.

At its twenty-sixth to twenty-eighth sessions (1993 to 1995), the Commission discussed three reports prepared by the Secretariat concerning certain legal problems in the area of assignment of receivables (A/CN.9/378/Add.3, A/CN.9/397 and A/CN.9/412). Having considered those reports, the Commission concluded that it would be both desirable and feasible to prepare a set of uniform rules, the purpose of which would be to remove obstacles to receivables financing arising from the uncertainty existing in various legal systems as to the validity of cross-border assignments (in which the assignor, the assignee and the debtor would not be in the same country) and as to the effects of such assignments on the debtor and other third parties. ^{2/}

At its twenty-fourth session (Vienna, 8-19 November 1995), the Working Group commenced its work by considering a number of preliminary draft uniform rules contained in a report of the Secretary-General entitled "Discussion and preliminary draft of uniform rules" (A/CN.9/412). At that session, the Working Group was urged to strive for a legal text aimed at increasing the availability of lower-cost credit (A/CN.9/420, para. 16).

At its twenty-ninth session (1996), the Commission had before it the report of the twenty-fourth session of the Working Group (A/CN.9/420). The Commission expressed appreciation for the work accomplished and requested the Working Group to proceed with its work expeditiously. ^{3/}

At its twenty-fifth and twenty-sixth sessions (New York, 8-19 July and Vienna, 11-22 November 1996), the Working Group continued its work by considering different versions of the draft uniform rules contained in two notes prepared by the Secretariat (A/CN.9/WG.II/WP.87 and A/CN.9/WG.II/WP.89 respectively). At those sessions, the Working Group adopted the working assumptions that the text being prepared would take the form of a convention (A/CN.9/432, para. 28) and would include conflict-of-laws provisions (A/CN.9/434, para. 262).

At its thirtieth session (1997), the Commission had before it the reports of the twenty-fifth and twenty-sixth sessions of the Working Group (A/CN.9/432 and A/CN.9/434). The Commission noted that the Working Group had reached agreement on a number of issues and that the main outstanding issues included the effects of the assignment on third parties, such as the creditors of the assignor and the administrator in the insolvency of the assignor. ^{4/} In addition, the Commission

noted that the draft Convention had aroused the interest of the receivables financing community and Governments, since it had the potential of increasing the availability of credit at more affordable rates. 5/

At its twenty-seventh and twenty-eighth sessions (Vienna, 20-31 October 1997 and New York, 2-13 March 1998), 6/ the Working Group considered two notes prepared by the Secretariat (A/CN.9/WG.II/WP.93 and A/CN.9/WG.II/WP.96 respectively). At its twenty-eighth session, the Working Group adopted the substance of draft articles 14 to 16 and 18 to 22 and requested the Secretariat to revise draft article 17 (A/CN.9/447, paras. 161-164 and 68 respectively).

At its thirty-first session (1998), the Commission had before it the report of the twenty-seventh and twenty-eighth sessions of the Working Group (A/CN.9/445 and A/CN.9/447). The Commission expressed appreciation for the work accomplished and requested the Working Group to proceed with its work expeditiously so as to complete its work in 1999 and submit the draft Convention for adoption by the Commission at its thirty-third session (2000). 7/
